At Penpoint Monica Popescu, 2020-08-14 In *At Penpoint* Monica Popescu traces the development of African literature during the second half of the twentieth century to address the intertwined effects of the Cold War and decolonization on literary history Popescu draws on archival materials from the Soviet sponsored Afro Asian Writers Association and the CIA funded Congress for Cultural Freedom alongside considerations of canonical literary works by Ayi Kwei Armah Ngũgĩ wa Thiong'o Ousmane Sembène Pepetela Nadine Gordimer and others She outlines how the tensions between the United States and the Soviet Union played out in the aesthetic and political debates among African writers and intellectuals These writers decolonized aesthetic canons even as superpowers attempted to shape African cultural production in ways that would advance their ideological and geopolitical goals Placing African literature at the crossroads of postcolonial theory and studies of the Cold War Popescu provides a new reassessment of African literature aesthetics and knowledge production

American Uprising Daniel Rasmussen, 2024-01-17 A chilling and suspenseful account of the culmination of a signal episode in the history of American race relations Adam Goodheart *The New York Times Book Review* In January 1811 five hundred slaves dressed in military uniforms and armed with guns cane knives and axes rose up from the plantations around New Orleans and set out to conquer the city Ethnically diverse politically astute and highly organized this self made army challenged not only the economic system of plantation agriculture but also American expansion Their march represented the largest act of armed resistance against slavery in the history of the United States *American Uprising* is the riveting long neglected story of the rebel army's dramatic march on the city and its shocking conclusion No North American slave uprising not Gabriel Prosser's not Denmark Vesey's not Nat Turner's has rivaled the scale of this rebellion either in terms of the number of the slaves involved or the number who were killed More than one hundred slaves were slaughtered by federal troops and French planters who then sought to write the event out of history and prevent the spread of the slaves

revolutionary philosophy Through groundbreaking research Daniel Rasmussen offers a window into expansionist America illuminating the early history of New Orleans and providing new insight into the path to the Civil War and the slave revolutionaries who fought and died for the hope of freedom Crisp confident Rasmussen tells this story with verve John Stauffer *The Wall Street Journal* Breathtaking A fascinating narrative of slavery and resistance that tells us something about history itself about how fiction can become fact and how history is sometimes nothing more than erasure Henry Louis Gates Jr *Uprising* Jessica Therrien, 2015-10-02 Elyse has done everything she can to protect her friends from The Council s reach As long as they believe she s dead she has time to rest and train for war And war is inevitable When Kara arrives with the news that Anna and Chloe have been captured Elyse is faced with the realization that no one is safe until The Council is stopped and Christoph is destroyed She doesn t need a prophecy to tell her to lead an army Christoph has done the one thing that ensures she ll fight to the death He s threatened the people she loves It will take more than the words of an oracle to help them fight against the most powerful Descendant alive To break The Council s oppression and rise up against a plot so many years in the making Elyse will need to get dangerously close to her enemy So close in fact she may not survive New Directions in Jewish American and Holocaust Literatures Victoria Aarons, Holli Levitsky, 2019-02-28 Surveys the current state of Jewish American and Holocaust literatures as well as approaches to teaching them What does it mean to read and to teach Jewish American and Holocaust literatures in the early decades of the twenty first century New directions and new forms of expression have emerged both in the invention of narratives and in the methodologies and discursive approaches taken toward these texts The premise of this book is that despite moving farther away in time the Holocaust continues to shape and inform contemporary Jewish American writing Divided into analytical and pedagogical sections the chapters present a range of possibilities for thinking about these literatures Contributors address such genres as biography the graphic novel alternate history midrash poetry and third generation and hidden child Holocaust narratives Both canonical and contemporary authors are covered including Michael Chabon Nathan Englander Anne Frank Dara Horn Joe Kupert Philip Roth and William Styron The range of critical approaches and authors examined makes this a valuable resource for scholars and teachers Particularly in this troubling political moment meditations on the new and continued relevance of Jewish American and Holocaust literatures for scholars students and the American public in general are invaluable Sharon B Oster author of *No Place in Time The Hebraic Myth in Late Nineteenth Century American Literature* Healing Historical Trauma in South Korean Film and Literature Chungmoo Choi, 2020-12-20 Through South Korean filmic and literary texts this book explores affect and ethics in the healing of historical trauma as alternatives to the measures of transitional justice in want of national unity Historians and legal practitioners who deal with transitional justice agree that the relationship between historiography and justice seeking is contested this book reckons with this question of how much truth telling from a violent past will lead to healing forgiving forgetting and finally overcoming resentment Nuanced interpretations of South Korean filmic and literary
