Urban Revolution Now:

Urban Revolution Now Dr Lukasz Stanek, Dr Ákos Moravánszky, Dr Christian Schmid, 2014-11-28 This volume is the first to develop Lefebvre's concepts in social research and architecture by focusing on urban conjunctures in Bangladesh Bosnia and Herzegovina Brazil Denmark France Germany Hong Kong Hungary Mexico Poland Serbia Spain Switzerland United Kingdom and United States With contributions by historians and theorists of architecture and urbanism geographers sociologists political and cultural scientists this book reveals the multiplicity of processes of urbanization and the variety of their patterns and actors around the globe

The Urban Revolution Henri Lefebvre, 2003 Originally published in 1970 The Urban Revolution marked Henri Lefebvre's first sustained critique of urban society a work in which he pioneered the use of semiotic structuralist and poststructuralist methodologies in analyzing the development of the urban environment Although it is widely considered a foundational book in contemporary thinking about the city The Urban Revolution has never been translated into English until now This first English edition deftly translated by Robert Bononno makes available to a broad audience Lefebvre's sophisticated insights into the urban dimensions of modern life Lefebvre begins with the premise that the total urbanization of society is an inevitable process that demands of its critics new interpretive and perceptual approaches that recognize the urban as a complex field of inquiry Dismissive of cold modernist visions of the city particularly those embodied by rationalist architects and urban planners like Le Corbusier Lefebvre instead articulates the lived experiences of individual inhabitants of the city In contrast to the ideology of urbanism and its reliance on commodification and bureaucratization the capitalist logic of market and state Lefebvre conceives of an urban utopia characterized by self-determination individual creativity and authentic social relationships A brilliantly conceived and theoretically rigorous investigation into the realities and possibilities of urban space The Urban Revolution remains an essential analysis of and guide to the nature of the city

Welcome to the Urban Revolution Jeb Brugmann, 2010-04-27 The author argues that urban locations are ideal for technological economic and social innovation

Metromarxism Andrew Merrifield, 2013-04-15 Metromarxism discusses Marxism's relationship with the city from the 1850s to the present by way of biographical chapters on figures from the Marxist tradition including Marx Walter Benjamin Guy Debord and David Harvey Each chapter combines interesting biographical anecdotes with an accessible analysis of each individual's contribution to an always transforming Marxist theory of the city He suggests that the interplay between the city as center of economic and social life and its potential for progressive change generated a major corpus of work That work has been key in advancing progressive political and social transformations

New Urban Spaces Neil Brenner, 2019-05-24 In New Urban Spaces Neil Brenner proposes a radical reconceptualization of inherited approaches to urbanization Rather than focusing on cities as bounded units urbanization is conceived here as multiscalar Drawing on the methods of critical geopolitical economy especially the writings of Henri Lefebvre Brenner systematically elaborates this multiscalar conceptualization of the capitalist urban fabric in order

to investigate emergent patterns and pathways of urban restructuring

Space, Urban Politics, and Everyday Life

Tilman Schwarze, 2023-11-18 This Book develops a novel and innovative methodological framework for operationalising Henri Lefebvre's work for empirical research on the U S city Building on ethnographic research on Chicago's South Side Tilman Schwarze explores the current situation of urbanisation and urban life in the U S city through a critical reading and application of Lefebvre's writings on space everyday life the urban the state and difference Focusing on territorial stigmatisation public housing transformation and urban redevelopment this book makes an important contribution to critical urban scholarship foregrounding the relevance and applicability of Henri Lefebvre's work for geographical and sociological research on urban politics and everyday life

Everyday Life and Urban Studies

Sabine Knierbein, 2025-10-13

Everyday Life and Urban Studies revisits the ordinary routines that shape urban life during the crises ridden last century and early new millennium Vast parts of Henri Lefebvre's intellectual work on everyday life however remain underappreciated in urban studies This book seeks to re integrate Lefebvre's Critique of Everyday Life into studies of urbanization Starting in the 1920s the book realigns historical insights with contemporary urban phenomena to uncover patterns of capitalist urbanization By showing the relevance of grasping the minutiae of everyday life to understanding cities the urban and urbanization today everyday life space and philosophy are brought back in tension This work combines analytical methodological exploration pedagogic mission and theoretical advances to carve out an everyday theory based approach to urban studies situated at the interface of the spatial arts the humanities and the social sciences This book examines the transformative potential that lies hidden in everyday life thereby unravelling a way to nurture hope amid unsettled urban conditions The book is essential for students faculty and researchers in the fields of urban studies city planning urban design human geography sociology cultural studies and political science

Exploring the Production of Urban Space Michael Edema Leary-Owhin, 2016-02-26

This important book engages critically with Lefebvre's spatial theories and challenges recent thinking about the nature of urban space Research in three iconic post industrial cities in the UK and North America explains how urban public spaces including differential space are socially produced

Havana Susan Fitzgerald, 2022-05-01

Following the crisis of the Special Period Cuba promoted urban agriculture throughout its towns and cities to address food sovereignty and security Through the adoption of state recommended design strategies these gardens have become places of social and economic exchange throughout Cuba This book maps the lived experiences surrounding three urban farms in Havana to construct a deeper understanding about the everyday life of this city Using narratives and drawings this research uncovers these sites as places where education intimacy entrepreneurship wellbeing and culture are interwoven alongside food production Henri Lefebvre's latent work on rhythm analysis is used as a research method to capture the everyday beats particular to Havana surrounding these sites This book maps the many ways in which these spaces shift power away from the state to become places that are co created by the community to serve as a crucial hinge point between the ongoing collapse of the city and its

future wellbeing *Arts in Place* Cara Courage, 2017-02-03 This interdisciplinary book explores the role of art in placemaking in urban environments analysing how artists and communities use arts to improve their quality of life It explores the concept of social practice placemaking where artists and community members are seen as equal experts in the process Drawing on examples of local level projects from the USA and Europe the book explores the impact of these projects on the people involved on their relationship to the place around them and on city policy and planning practice Case studies include Art Tunnel Smithfield Dublin an outdoor art gallery and community space in an impoverished area of the city The Drawing Shed London a contemporary arts practice operating in housing estates and parks in Walthamstow and Big Car Indianapolis an arts organisation operating across the whole of this Midwest city This book offers a timely contribution bridging the gap between cultural studies and placemaking It will be of interest to scholars students and practitioners working in geography urban studies architecture planning sociology cultural studies and the arts **Inclusive Place Branding** Mihalis

Karavatzis, Massimo Giovanardi, Maria Lichrou, 2017-11-22 Place branding is often a response to inter place competition and discussed as if it operated in a vacuum ignoring the needs of local communities It has developed a set of methods catchy slogans colourful logos star architects bidding for City of Culture status etc that are applied as quick fix solutions regardless of geographical and socio political contexts Critical views of place branding are emerging which focus on its unexplored consequences on the physical and social fabric of places These more critical approaches reveal place branding as an essentially political activity serving hidden agendas and marginalizing social groups Scholars and practitioners can no longer ignore the need for more responsible and socially sensitive approaches to cater for a wider range of stakeholders and which fully acknowledge the importance of resident participation in decision making The contributions in this innovative book set out to introduce new critical ways of thinking around place branding and practices that encourage it to be more inclusive and participatory It will be of interest to researchers and advanced students of branding critical marketing and destination marketing as well as critical tourism and environmental design Urbanization and the Environment in Developing

Countries , 1990 Urban China Reframed Wing-Shing Tang, Kam Wing Chan, 2021-06-21 Given China's rapid economic growth and massive urbanization no one in the world can ignore what is happening in urban China This book is a critical review of existing urban China research which is found wanting due to the decontextualized use of theories and concepts developed in the West Urban China Reframed A Critical Appreciation consists of epistemological theoretical and methodological contributions to remedy these limitations by focusing on a number of relevant topics First models are widely employed in any study and China nowadays has invoked models like city system zones and global city in socio economic development How to interpret them in terms of knowledge production in a strong party state Second given the global prevalence of neoliberalism it is an important debate whether neoliberalism is applicable to China Third what is urban ideology in China How to contextualize it Are debates about the differentiation between the city and urbanization relevant to

China Fourth massive rural urban migration in China has taken place within its mega rural urban dual system an institution that has persisted since the 1950s How does it manifest nowadays Fifth has the town country divide in China like in the West disappeared If not how can one interpret China s town country relations within the politics and administration of the Chinese state Sixth how to decipher the territorial development in the Pearl River Delta the world s factory under the auspices of the state The collection of essays in this volume contributes to the theoretical understanding of urban China The chapters in this book were originally published in the Eurasian Geography and Economics

Henri Lefebvre and the Theory of the Production of Space Christian Schmid, 2022-11-29 Henri Lefebvre s was the major theorist of space and of the urban This is the definitive book on Lefebvre Shortlisted for the Deutscher Memorial Prize 2023 This book presents an encompassing detailed and thorough overview and reconstruction of Lefebvre s theory of space and of the urban Henri Lefebvre belongs to the generation of the great French intellectuals and philosophers together with his contemporaries Michel Foucault and Jean Paul Sartre His theory has experienced a remarkable revival over the last two decades and is discussed and applied today in many disciplines in humanities and social sciences particularly in urban studies geography urban sociology urban anthropology architecture and planning Lefebvre together with David Harvey is one of the leading and most read theoreticians in these fields This book explains in an accessible way the theoretical and epistemological context of this work in French philosophy and in the German dialectic Hegel Marx and Nietzsche and reconstructs in detail the historical development of its different elements It also gives an overview on the receptions of Lefebvre and discusses a wide range of applications of this theory in many research fields such as urban and regional development urbanization urbanity social space and everyday life

Marxism and Real Estate Development Julian Roche, 2023-09-01 This book straddles two worlds and attempts to bring them together that of Lefebvre s Marxism on the one hand and that of real estate development on the other Lefebvre has now become a household name amongst many contemporary Marxists especially those with an interest in urban planning and certain quarters of the architectural profession however his work is far less well known by real estate professionals whether investors developers brokers or indeed policymakers Marxism and Real Estate Taking Lefebvre Seriously has both a large scope and a very bold aim to use an explication and analysis of the work of Henri Lefebvre not only to present a critique of development but also to draw these two worlds together It therefore first aims to present the arguments of this increasingly well known French Marxist philosopher sociologist and pioneer of urban studies second to situate contemporary real estate development in the light of Lefebvre s work and third to analyse the potential application of Lefebvre s work to each of the major components of contemporary real estate to use Lefebvre s work in order to recommend practical action for developers working alongside planners and architects to influence the future of global real estate As well as its direction at developers themselves this book should be of interest to economists real estate researchers and professionals planners urban studies scholars and of course to those interested in the application of Lefebvre s work to real
