A History of the Political Philosophers George Catlin, 2019-11-19 Originally published in 1939 this book was intended as a guide to political theory intelligible to the common reader with quotations from the original sources sufficiently extensive to enable them to sample for themselves the taste and colour of these writings This history of theory has been placed against brief descriptions as background of the civilization of the times as the reader passes down the avenues of thought from age to age It is a history of political thought set against the background of the history of civilization but that thought is also displayed in the setting of the characteristics and biographies of the thinkers whose minds we search and whom we seek to know familiarly however long ago gone to dust

Bernard Williams on Philosophy and History, 2025-10-21 For Bernard Williams philosophy and history are importantly connected His work exploits this connection in a number of directions he believes that philosophy cannot ignore its own history the way science can that even when engaging with philosophy's history primarily to produce history one needs to draw on philosophy and that when doing the history of philosophy primarily to produce philosophy one still needs a sense of how historically distant past philosophers are because the point of reading them is to confront something different from the present But Williams also holds that systematic philosophy itself needs to be done historically engaging not just with its own

history but with that of the concepts it seeks to understand To explore these different ways in which philosophy and history intertwine this volume assembles specially commissioned contributions by A W Moore Terence Irwin Sophie Grace Chappell Catherine Rowett Marcel van Ackeren John Cottingham Gerald Lang Lorenzo Greco Paul Russell Carla Bagnoli Peter Kail David Owen Giuseppina D Oro James Connelly Matthieu Queloz Nikhil Krishnan John Marenbon Ralph Wedgwood Garrett Cullity Hans Johann Glock Geraldine Ng Ilaria Cozzaglio Amanda R Greene and Miranda Fricker They critically appraise Williams s work in and on the history of philosophy as well as his historicist turn and his use of genealogy The collection uniquely combines substantive discussions of historical figures from Homer to Wittgenstein with methodological discussions of how and why the history of philosophy should be done and how and why philosophy should draw on history **Original Narratives of Early American History** ,1908 **A History of Political Ideas** Charles Richard Morris,Lady Mary De Selincourt Morris,Mary Morris,1924 **Draper's Self Culture: Ideals of American history** Andrew Sloan Draper,1918 **Topical Manual of American History** William Alexander Smith,1890 **The History of Philosophy, Etc** Thomas Stanley,1656 **An Illustrated Brief History of Western Philosophy, 20th Anniversary Edition** Anthony Kenny,2018-10-15 In 1998 the first edition of Anthony Kenny s comprehensive history of Western philosophy was published to be met with immediate praise and critical acclaim As the first book since Bertrand Russell s 1945 A History of Western Philosophy to offer a concise single author review of the complete history of philosophy from the pre Socratics to the modern masters of the 20th century Kenny s work fills a critical gap in the modern philosophy reading list and offers valuable guidance for the general reader of philosophy an ideal starting point for anyone with an interest in great thinkers and the family lines of philosophical evolution Widely considered to be one of the most thorough and accessible historical reviews in philosophy An Illustrated Brief History of Western Philosophy has earned an estimable and distinctive reputation both for the compelling writing style of Anthony Kenny one of the most respected and accomplished living philosophers and for the rich collection of paintings illustrations maps and photos included with every chapter to complement this review of 2 500 years of philosophical thought Newly revised and expanded for a special 20th anniversary publication the latest edition of An Illustrated Brief History of Western Philosophy contains all of Kenny s original writings on the history of Western philosophy from ancient to modern along with new writings on the philosophy of the mid 20th century covering important contributions from continental philosophers and philosophers of the post Wittgenstein anglophone tradition including the work of many women who have too often been neglected by the historical record **Old World Background to American History** Samuel Bannister Harding,Margaret Snodgrass Harding,Mrs. Margaret Snodgrass Harding,1919
