Us New And World Report Voorhees:

Soviet Bibliography United States. Department of State. Library Division, 1953 **The Encyclopedia of the Korean War** Spencer C. Tucker, Paul G. Pierpaoli Jr., 2010-04-09 A multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history A cornerstone work in ABC CLIO's distinguished list of reference works on military history The Encyclopedia of the Korean War A Political Social and Military History is a comprehensive resource on the confrontation that became the first shooting war of the Cold War the first limited conflict of the Atomic Age and the war that led to a dramatic escalation of the national security state while foreshadowing U S involvement in Vietnam Encyclopedia of the Korean War offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield But this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well Incorporating a wealth of recent research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume *Benevolent Empire* Stephen R. Porter, 2017 Stephen Porter examines political refugee aid initiatives and related humanitarian endeavors led by American people and institutions from World War I through the Cold War The supporters of these endeavors presented the United States as a new kind of world power a Benevolent Empire **Operation Pedro Pan and the Exodus of Cuba's Children** Deborah Shnookal, 2022-06-28 This in depth examination of one of the most controversial episodes in U S Cuba relations sheds new light on the program that airlifted 14 000 unaccompanied children to the United States in the wake of the Cuban Revolution Operation Pedro Pan is often remembered within the U S as an urgent rescue mission but Deborah Shnookal points out that a multitude of complex factors drove the exodus including Cold War propaganda and the Catholic Church's opposition to the island's new government Shnookal illustrates how and why Cold War scare tactics were so effective in setting the airlift in motion focusing on their context the rapid and profound social changes unleashed by the 1959 Revolution including the mobilization of 100 000 Cuban teenagers in the 1961 national literacy campaign Other reforms made by the revolutionary government affected women education religious schools and relations within the family and between the races Shnookal exposes how in its effort to undermine support for the revolution the U S government manipulated the aspirations and insecurities of more affluent Cubans She traces the parallel stories of the young Pedro Pans separated from their families in some cases indefinitely in what is often regarded in Cuba as a mass kidnapping and the children who stayed and joined the literacy brigades These divergent journeys reveal many underlying issues in the historically fraught relationship between the U S and Cuba and much about the profound social revolution that took place on the island after 1959 Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities Current Biography Yearbook , 1958 *The New York Daily Tribune Index* , 1893

Metro Newsletter ,1974 *Only a Few Blocks to Cuba* Mauricio Fernando Castro,2024-03-19 In *Only a Few Blocks to Cuba* Mauricio Castro shows how the U S government came to view Cuban migration to Miami as a strategic asset during the Cold War in the process investing heavily in the city s development and shaping its future as a global metropolis When Cuban refugees fleeing Communist revolution began to arrive in Miami in 1959 the city was faced with a humanitarian crisis it was ill equipped to handle and sought to have the federal government solve what local politicians clearly viewed as a Cold War geopolitical problem In response the Eisenhower and Kennedy administrations and their successors provided an unprecedented level of federal largesse and freedom of transit to these refugees The changes to the city this investment wrought were as impactful and permanent as they were unintended What was meant to be a short term geopolitical stratagem instead became a new reality in South Florida A growing and increasingly powerful Cuban community contested their place in Miami and navigated challenges like bilingualism internal political disputes socioeconomic polarization and ongoing struggles and negotiations with Washington and Havana in the decades that followed This contested process argues Mauricio Castro not only transformed South Florida but American foreign policy and the calculus of national politics Castro uses extensive archival research in local and national sources to demonstrate that the Cuban diaspora and Cold War refugee policy made South Florida a key space to understanding the shifting landscape of the late twentieth century In this way Miami serves as an example of both the lived effects of defense spending in urban spaces and of how local communities can shape national politics and international relations American politics foreign relations immigration policy and urban development all intersected on the streets of Miami

Proceedings - American Society for Testing and Materials

American Society for Testing and Materials,1906 Vols 61 66 include technical papers *Reports of Committee D-1 on Preservation Coatings for Structural Materials, 1903-1914* American Society for Testing Materials. Committee D-1 on Paint, Varnish, Lacquer, and Related Products,1914

Men of No Reputation Kimberly Harper,2024-02-05 *Men of No Reputation* is the first account to explore the life of Robert Boatright one of America s most gifted but forgotten confidence men Boatright s story provides a rare window into the secret world of Missouri s criminal past which influenced the methods of confidence men across the country Boatright took the preexisting big store confidence scheme and perfected it With the assistance of a talented coterie of confederates known as the Buckfoot Gang this dean of modern confidence men fleeced the gentry of the Midwest on fixed athletic contests in the turn of the century Ozarks Working in concert with a local bank and an influential Democratic boss Boatright seemed untouchable A series of missteps however led to a string of court cases across the country that brought his criminal enterprise to an end And yet the con continued Boatright s successor John C Mabray and his cronies many of whom had been in the Buckfoot Gang preyed upon victims across North America in one of the largest Midwestern criminal syndicates in history before they were brought to heel Like the works of Sinclair Lewis Boatright s story exposes a rift in the wholesome Midwestern stereotype and furthers our understanding of nineteenth and twentieth century

American society **Public Opinion** ,1893 *Department of State Wireless Bulletin* ,1949 **Supplementary Catalogue of the Public Library of New South Wales, Sydney, Reference Department** Public Library of New South Wales. Reference Dept,1902 *Being Dragonborn* Mike Piero,Marc A. Ouellette,2021-07-09 The Elder Scrolls V Skyrim is one of the bestselling and most influential video games of the past decade From the return of world threatening dragons to an ongoing civil war the province of Skyrim is rich with adventure lore magic history and stunning vistas Beyond its visual spectacle alone Skyrim is an exemplary gameworld that reproduces out of game realities controversies and histories for its players Being Dragonborn then comes to signify a host of ethical and ideological choices for the player both inside and outside the gameworld These essays show how playing Skyrim in many ways is akin to playing 21st century America with its various crises conflicts divisions and inequalities Topics covered include racial inequality and white supremacy gender construction and misogyny the politics of modding rhetorics of gameplay and narrative features *Statistical and Chronological History of the United States Navy, 1775-1907* Robert Wilden Neeser,1909 Natural Hazards: Earth's Processes as Hazards, Disasters, and Catastrophes (4th Edition) Edward Keller,Duane DeVecchio,2015-05-20 *Disease Control Priorities in Developing Countries* Dean T. Jamison,Joel G. Breman,Anthony R. Measham,George Alleyne,Mariam Claeson,David B. Evans,Prabhat Jha,Anne Mills,Philip Musgrove,2006-04-02 Based on careful analysis of burden of disease and the costs of interventions this second edition of Disease Control Priorities in Developing Countries 2nd edition highlights achievable priorities measures progress toward providing efficient equitable care promotes cost effective interventions to targeted populations and encourages integrated efforts to optimize health Nearly 500 experts scientists epidemiologists health economists academicians and public health practitioners from around the world contributed to the data sources and methodologies and identified challenges and priorities resulting in this integrated comprehensive reference volume on the state of health in developing countries **Industrial Refrigeration** ,1903 Planning, Current Literature ,1970
