Trade-Based Money Laundering John A. Cassara, 2015-11-09 Uncover the financial fraud that funds terrorist organizations Trade Based Money Laundering is an authoritative examination of this burgeoning phenomenon now coming under scrutiny in the War on Terror This book walks you through the signs and patterns of trade based money laundering TBML to help you recognize it when it occurs and shows you how data and analytics can be used to detect it You ll learn the common value transfer techniques including invoice fraud over and under invoicing and misrepresentation and learn why analytic detection systems have yet to be implemented despite the existence of copious data Case studies from around the world highlight the real life implications of the concepts and processes presented in the text giving you a first hand view of the mechanisms at work inside this expanding illegal market Trade based money laundering uses trade to convert large quantities of illicit cash into less conspicuous assets or commodities to evade financial transparency laws and regulations As an ideal funding mechanism for terrorist groups the practice is getting more attention even as it increases in scale and spread This book takes you deep inside TBML to better arm you against its occurrence Learn the typical value transfer techniques of TBML Examine case studies detailing international examples Discover why institutions have failed to implement detection systems Explore ways in which analytics can identify TBML According to the U S State Department TBML has reached staggering proportions in recent years and is considered by many to be the next frontier of international money laundering enforcement Trade Based Money Laundering gives you a battle plan with expert insight and real world guidance

Cyber Persistence Theory Michael P. Fischerkeller, Emily O. Goldman, Richard J. Harknett, 2022-05-06 In Cyber Persistence Theory Michael P Fischerkeller Emily O Goldman and Richard J Harknett argue that this current theory only works well in the cyber strategic space of armed conflict but it is completely misaligned for conflict outside of war where most state sponsored adversarial cyber activity occurs As they show the reigning paradigm of deterrence theory cannot fully explain what is taking place with respect to cyber conflict Therefore the authors develop a novel approach to national cyber security strategy and policy that realigns theory and practice

Regulating and Combating Money Laundering and Terrorist Financing Nkechikwu Azinge-Egbiri, 2021-03-01 This book analytically reviews the impact of the global anti money laundering and counter terrorist financing AML CFT framework on the compliance trajectory of a number of jurisdictions to this framework The work begins by examining the international financial sector reform and its evolution to inculcate the global framework for AML CFT regulations It challenges the resulting uniform AML CFT due to its paradoxical impact on the compliance trajectory of African countries and emerging economies ACs EEs This is done through an examination of the pre conditions for effective regulation and compliance drivers for ACs EEs that reveals the behavioural impact of the AML CFT standards on the bloc of countries Through the application of agency theory it explores the relationship between ACs EEs on the one hand and the international financial institutions that formulate disseminate and

facilitate compliance with the global framework for AML CFT standards on the other The remaining chapters review empirically the compliance pressures and resulting compliance trajectory of ACs EEs with the AML CFT standards The final part of the book provides a detailed explanation of the compliance challenges of ACs EEs and the legitimacy concerns that facilitate this This book offers a new direction on the impact of global AML CFT standards on ACs EEs and contributes to the understanding of the conditions under which the global standards are likely to facilitate proactive compliance within these blocs of countries As such it will be a valuable resource for academics researchers and policy makers working in this area
