

The legibility and distinction of the USC Viterbi logo is very important. To ensure the logo is highly visible, design separates it from its surroundings. Minimum amount of clear space surrounding the logo should be half the logo's height on all sides as shown here. Do not place any other graphic elements to preserve the use of isolation. In addition, the USC Viterbi logo type should not be placed over a photograph or patterned background.

Minimum Logo Space: The amount of clear space around the logo should be at least half the logo's height on all sides as shown here.

The examples shown are the approved name combinations for USC Viterbi logos. In a standard, two colors — Pomegranate (HEX: #A52A2A) and Black (including their CMYK and RGB equivalents) — should be used. The university logo is the central connection through the entire program and should always appear in the highest or most dominant of the two colors.
