boats Away All Boats is a blending of sparkling waterlands and vivid memories Author of Striper and Fishing Came First John N Cole takes readers from the dangers of haul seining for striped bass that challenge a wooden dory s limits in the surf to the excitement of searching the flats of the Florida Keys for tarpon and other game fish aboard a shall draft high tech craft perfectly matched to the task Evocative of nature s miracles and realities and the foibles of men who go down to the sea in ships the writing is dry and witty tender and perceptive Alongside the hard facts and opinions about the selection refitting maintenance and use of small boats is a series of wonderful stories about the author s explorations as a bayman and fisherman in the waters of eastern Long Island Maine and the Florida Keys Each boat described serves to introduce a key chapter in the author s life and his taste for adventure John Cole s first love is the skiff rowboat dory or sharpie any relatively stable wooden boat that can be easily and efficiently rowed but the author also takes on larger craft powered by the internal combustion engine to indicate that every boat is designed to perform a limited family of functions The trick as we learn in these robust pages is to find the boat you need not always the boat you want and Cole offers practical advice on how to go about it The surprise is that a good boat doesn t have to be expensive some are even gifts from the sea As to basic equipment the author keeps the advice simple a compass charts a tachometer an ammeter an understanding of local winds and tides and with luck an informed weather eye to minimize risks in open water
