

How I Got a 5 on AP Spanish Language and Culture

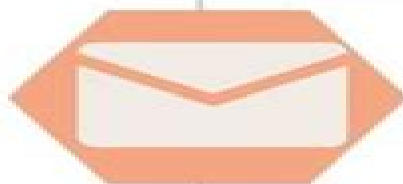

Multiple Choice (text only)

if you don't understand a word, draw from your knowledge of culture in Spanish-speaking countries, your personal experiences, and common sense.

Multiple Choice (with audio)

The first time you hear the audio, write down keywords. During the pause in between, skim over the questions so you know what to focus on. The second time the audio plays, fill in the details.

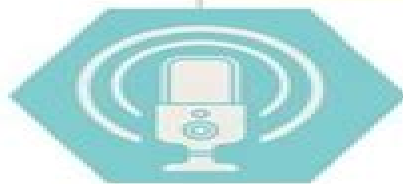

Free Response: Email

Memorize words and phrases to use to start and end emails, and make sure to answer all the questions asked in the email. Additionally, make sure to ask two of your own questions in your response email.

Free Response: Essay

Make sure to use all three provided sources at least once. If you don't you'll be penalized. Also, don't take a wishy-washy stand on the argument. Either agree with the given statement or don't.

Free Response: Spoken

For the conversation, make sure to jot down transitional phrases and idioms before you begin. This will help your speaking sound more natural. For the cultural presentation, create a T-chart comparing a Spanish-speaking community to your own community. This will help you organize your presentation.
