Praying with Vincent de Paul Thomas McKenna, 2014 **Some Counsels Of S. Vincent De Paul : To Which Is Appended The Thoughts Of Mademoiselle Le Gras** Saint Vincent De Paul, 2013-05-31 The counsels contained in the following pages were addressed to the Companies of Mission Priests and Sisters of Charity founded in France for the teaching and assistance of the poor more than two hundred and fifty years ago They are characterised by the simplicity and the directness which distinguished S Vincent de Paul himself and it may be found perhaps that their significance does not depend on place period or condition but still has application here and now **Lettres de S. Coste, Joseph Leonard (trans), 1952 **Praying with Vincent de Paul** Thomas F. McKenna, 2011-12-01 This book is the first to describe in detail a community of potters working for the Jagannatha Temple in Puri and to explore how the role of temple servant affects the potters understanding of their work and of themselves As a pilgrimage centre of national importance supported by the patronage of successive regional dynasties and by fervent popular belief the Jagannatha Temple requires earthenware in great quantities for the creation and distribution of the sacred food that is an integral feature of daily ritual and pilgrimage Three hundred potters participate as temple servants in maintaining the temple s ritual cycle by performing their divinely assigned task This study conducted in 1979 1981 observes the potters technical prowess sustained by devotion but also examines the tensions within

their relationships to more powerful temple servants and authorities The role of the potter as temple servant is at once glorious as demonstrated by texts and personal interpretations of the potters divinely appointed service and pathetic as shown in the brutality of caste based hierarchy and cash based exchange penetrating the modern temple s daily operations
