Violated By Monsters The Angel Choir:

On Monsters Stephen T. Asma, 2011-09 A comprehensive modern day bestiary *The New Yorker* **Ludics and Laughter as Feminist Aesthetic** Jennifer Gustar, Caleb Sivyer, Sarah Gamble, 2021-01-20 Angela Carter's provocations to laughter and her enchantment with ludic narrative strategies are two key aspects of her aesthetic practice neither of which has been the focus of sustained study *Ludics and Laughter as Feminist Aesthetic* Angela Carter at Play responds to this lacuna in Carter criticism This international collection of eleven essays from acclaimed Carter scholars and emerging voices in the field of Carter studies seeks to reclaim play as a serious undertaking for feminist writing and scholarship and to foreground laughter as a potent affect While Carter's work turned to comedy in the later years from the first publication in 1966 until her last in 1992 her fiction poetry and journalism engaged in sharp social and cultural critique she habitually engaged this critique through ludic structures and wickedly funny narratives that challenged conventional norms and ways of thinking Contributors explore the diverse ways in which Carter compelled a complex and often uneasy laughter by means of a controversial aesthetic that merges a persistently ludic sensibility with a biting intransigent wit This volume draws on theories of play surrealism feminism as well as studies of feminist humour and Carter's own journals and diaries to reveal the ways in which her work moves readers towards the unexpected This volume will be of relevance both to scholars of Carter's work and of feminist humour more generally as well it will be of interest to students and general readers of Carter's fiction journalism and poetry **Holding Onto Air** Michele DeMarco, PhD, 2024-01-09 A top mental health writer trauma researcher and survivor illuminates the dual nature of loss the science behind it and art of transforming it with a breakthrough book and truly holistic approach After experiencing two rare heart attacks at the age of 33 and a third a decade later DeMarco knows trauma intimately Trauma breaks your relationship with time by upending your expectations fracturing your memories and identity and destroying your innocence With poignant wisdom and refreshing insight DeMarco explodes traditional myths of resilience and shows what it takes to thrive through any of life's challenges DeMarco situates meaningful challenge and loss specifically in the context of lost innocence and challenges common notions that we can think our way out of despair and back to a normal happy life when the unimaginable shatters it Leveraging advances in emotion science somatic psychology neuroscience and trauma *Holding Onto Air* brings the body and spirit into the solution as much as the mind and so presents a truly integrated whole person approach to recovering from lost innocence and building resilience It also makes spirit accessible for anyone of any background or belief or no aligned belief More than a rudimentary map for navigating grief and loss rocky terrain with tired tropes and shop worn strategies DeMarco offers a unique and trusted guide for an arduous journey every human being will have to face the realization of evil pain or mortality that occurs after a person experiences trauma **The Chaplain of the Fleet** Walter Besant, James Rice, 1882 My life has been above any merits of my own so blessed by Providence that methinks its history should be begun with the ringing of bells the singing of psalms the sound of

cornet flute harp sackbut psaltery and all kinds of music For surely the contemplation of a happy course should even towards its close be accompanied by a heart full of cheerful piety and gratitude And though as often happens to us in the Lord s wisdom ill fortune disappointment troubles of the flesh and pain of disease may perhaps afflict me in these latter years of fleeting life they ought not to lessen the glad song of praise for blessings formerly vouchsafed and still dwelling in my memory of love of joy and of happiness Truly the earth is a delightful place a fair garden which yields pleasant fruit and if it may be so said with becoming reverence there are yet outside the gates of Eden places here and there which for beauty and delight to those who thither win their way are comparable with Paradise itself In such a place it has been my happy lot to dwell
