CONCEPTS

Concept	Definition	Importance
1. Federalism	The division of power between the national and state governments.	It ensures that the national government is not too powerful and that the states retain some autonomy.
2. Checks and Balances	A system of government in which the branches of government are designed to limit each other's power.	It prevents any one branch from becoming too powerful and ensures that the government remains balanced.
3. Separation of Powers	The division of government into three branches: legislative, executive, and judicial.	It ensures that each branch has a distinct role and that no single branch can dominate the government.

The Early Republic Complete Unit Guide Packet

Overview

The principles of the Constitution and election of George Washington as America's first president finally unified the turbulent years of the Revolution and established the Constitution. However, after decades for the new Republic to develop, in the summer of 1788, the nation in Pennsylvania was a patchwork of the (Articles of Confederation) that Washington himself went to put down.

A crisis in Washington's Federal led to the development of America's first political parties. Federalists and Democratic-Republicans. Washington warned against the development along with American getting entangled in foreign affairs in the Federalist Papers. The Vice President John Adams represented the Federalist's second president and was elected twice. His relation was the XYZ Affair and resulting Quasi-War with France. The resulting unrest led Adams to sign a bill known as the Alien and Sedition Acts. These controversial laws made it harder for any immigrant to become a citizen. Adams's president is important for citizens who were concerned religious and civil liberties making these documents that were critical of the government.

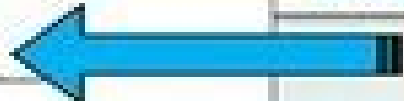

Adams was defeated by Jefferson in the Election of 1800. Jefferson called it a "Revolution without blood" and the peaceful transfer of power to the Democratic-Republican Party. Jefferson wanted the expansion of the United States with the Louisiana Purchase and began a "Virginia Dynasty" that lasted the presidency from 1800 to 1808. After Jefferson's two terms as president, he was followed by his own vice president, James Madison. Madison's two terms as president led to the War of 1812. Madison was defeated by Monroe in the Election of 1816. Monroe led America into a peaceful time known as the "Era of Good Feelings".
