French Translations by Renee Archibald Mary Clendinning O'Donnell (Martin) Luxton,1952 **In Circles** Basil Dillon-Malone,2024-01-17 In Circles is the follow up publication to the author s widely acclaimed parody novel The Last Smoker on Earth and the End of Literature Friesen Press Vancouver 2021 The poems were composed in 40 countries around the world The collection is occasionally profound sometimes mischievous but essentially humorous The author makes a thematic distinction between poems that are obviously whimsical Nosepicker Mortal the misery of despondency Loner and a bar room mirror a recitation tribute to his father growing up in the West of Ireland Primrose Hill and the few such as Paroxysm of Fear that are deeply intense personal and penetrating He felt it necessary to include these calamitous images in the vital reality and vulnerability of our times in a sobriety of our concomitant need for diversion In Circles is as much a series of standalone vignettes as it is a book of poems It makes free use of wordplay euphemism and sound while experimenting with the illustrative eyecatching effects of using icons to coax a vivid curiosity in an enlivening of the genre **Vignettes in Verse : Poems** Carswell, Violet,1982 Vignettes Sunil R. Nair,2002-02 Vignettes a journey through memories is a collection of 50 poems written over a period of 10 years It is a walk through the days of the poet the world around him through his eyes and translated into words Vignettes are a very visual collection of words etched carefully it is not a collection to be read in a hurry it is to be savored reread and enjoyed Every time you read the verses you will discover a part of you reflected in its deep stillness From the very first poem Mornings the collection takes you through a kaleidoscope of emotions taking you with every passing page closer to the authors mind The book ends with a promise of the author returning with more of his work in the future Several people who have read the work have called it soul poetry which soothes the inner self and makes them close their eyes and

imagine that they are floating along the a mighty river seeing and assimilating all the visual imagery Vignettes Leo J. Allard,1984 *Poems on Various Subjects ... with Vignettes* E. Tomkins,1804 **Vignettes** Mark Chambers,2015-03-04
