The Me I Never Was Francine C. Still Hicks, 2015-01-15 The Me I Never Was is a designed matrix of the mind soul and spirit embarking on the journey into Oneness Using the creative flow of words through different genres of writing the pages become alive the words reaching into your quiet hours speaking only to you and gently guiding you to a place of peace and acceptance of the innate seed planted into you before your earthly birth The images on the pages are artistically created to give you vision of the mind and to see beyond the box we have been put in The Me I Never Was is a given gift to all who seeks to live in Truth It has come to the aid of the seeker in stripping the bandages of bondage It has come to unchain the lies that have kept your spirit imprisoned to the soul s experiences The Me I Never Was has come through the creative world of writing and art to bring you Freedom It strips the garments that have been placed upon you and standing before yourself in the Pure Love of Acceptance The Zoist ,1854 **Complete Collection of State Trials** Francis Hargrave, 1795
