The Mills Governess:

Governess Ruth Brandon,2011-02-01 Between the 1780s and the end of the nineteenth century an army of sad women took up residence in other people's homes part and yet not part of the family not servants yet not equals To become a governess observed Jane Austen in Emma was to retire from all the pleasures of life of rational intercourse equal society peace and hope to penance and mortification for ever However in an ironic paradox the governess so marginal to her society was central to its fiction partly because governessing was the fate of some exceptionally talented women who later wrote novels based on their experiences But personal experience was only one source and writers like Wilkie Collins William Makepeace Thackeray Henry James and Jane Austen all recognized that the governess's solitary figure adrift in the world offered more novelistic scope than did the constrained and respectable wife Ruth Brandon weaves literary and social history with details from the lives of actual governesses drawn from their letters and journals to craft a rare portrait of real women whose lives were in stark contrast to the romantic tales of their fictional counterparts Governess will resonate with the many fans of Jane Austen and the Brontës whose novels continue to inspire films and books as well as fans of The Nanny Diaries and other books that explore the longstanding tension between mothers and the women they hire to raise their children

The Governess's Dilemma Pamela Griffin,2013-10-01 MYRNA McBRIDE IS HEADING TOWARD HER FUTURE When her train derails in Hillsdale Michigan a wealthy stranger offers her shelter and a position in his household Grateful yet wary of the mysterious man Myrna must guard her secrets and her heart Returning home upon his brother's death Dalton Freed is now heir to a grand estate and guardian to his niece Dalton desperately needs Myrna's help But even as he looks forward to seeing the beautiful governess each day he suspects she's keeping secrets Can she ever earn Dalton's trust and bring light and laughter back to his life *Uncovering the Governess's Secrets* Marguerite Kaye,2024-07-23 A sensual Victorian gothic romance set in Scotland She's running from the past Am I the key to her future As a private investigator to the rich it's my job to be impartial but returning to moody Edinburgh the city where I made my name to locate Marianne Crawford unsettles me And when I meet the beguiling governess in question I'm inexplicably drawn to her Marianne Crawford is a survivor She's lived through experiences designed to destroy her But I'm here to reveal her true identity not to fall under her spell I've never been afraid of secrets but once I uncover this one I'm afraid I won't be able to walk away From Harlequin Historical Your romantic escape to the past *The Victorian Governess* Kathryn Hughes,2001-01-01 The figure of the governess is very familiar from nineteenth century literature Much less is known about the governess in reality This book is the first rounded exploration of what the life of the home schoolroom was actually like Drawing on original diaries and a variety of previously undiscovered sources Kathryn Hughes describes why the period 1840-80 was the classic age of governesses She examines their numbers recruitment teaching methods social position and prospects The governess provides a key to the central Victorian concept of the lady Her education consisted of a series of accomplishments designed to attract a husband

able to keep her in the style to which she had become accustomed from birth Becoming a governess was the only acceptable way of earning money open to a lady whose family could not support her in leisure Being paid to educate another woman's children set in play a series of social and emotional tensions The governess was a surrogate mother who was herself childless a young woman whose marriage prospects were restricted and a family member who was sometimes mistaken for a servant

The Governess's Guide to Marriage Liz Tyner, 2020-09-01 A prim and proper governess Locked in with a duke Believing her grandmother is gravely ill governess Miranda Manwaring takes leave to care for her but instead finds herself captive in a rundown cottage with a powerful stranger Shock number one the man is the eligible Duke of Chalgrove Shock number two their captor is Miranda's eccentric grandmother looking to guide Miranda to a titled husband Miranda refuses to trick him into marriage but her grandmother's meddling can't possibly work can it What I love about Ms Tyner's work is that she takes what is a very basic trope and storyline and gives it a twist and it ends up being fresh and new A lovely and original romance Imaginative and complex Chicks Rogues and Scandals on To Win a Wallflower This is a wonderfully entertaining and original story This is definitely a page turner Chicks Rogues and Scandals on Saying I Do to the Scoundrel The mill in the valley; or, Truth will out, by C.E.M.
