## **The Miniature Wife And Other Stories:**

**The Miniature Wife** Manuel Gonzales, 2014-02-04 In the tradition of George Saunders and Aimee Bender an exuberantly imagined debut that chronicles an ordinary world marked by unusual phenomena The eighteen stories of Manuel Gonzales s exhilarating first book render the fantastic commonplace and the ordinary extraordinary in prose that thrums with energy and shimmers with beauty In *The Artist s Voice* we meet one of the world s foremost composers a man who speaks through his ears A hijacked plane circles a city for twenty years in *Pilot Copilot* Writer Sound can kill in *The Sounds of Early Morning* And in the title story a man is at war with the wife he accidentally shrank For these characters the phenomenal isn t necessarily special but it s often dangerous In slightly fantastical settings Gonzales illustrates very real guilt over small and large marital missteps the intense desire for the reinvention of self and the powerful urges we feel to defend and provide for the people we love With wit and insight these stories subvert our expectations and challenge us to look at our surroundings with fresh eyes Brilliantly conceived strikingly original and told with the narrative instinct of a born storyteller *The Miniature Wife* is an unforgettable debut *Frank Sinclair's Wife, and Other Stories* Mrs. J. H. Riddell, 1874 *The Best Horror of the Year*

Ellen Datlow, 2014-05-20 This statement was true when H P Lovecraft first wrote it at the beginning of the twentieth century and it remains true at the beginning of the twenty first century The only thing that has changed is what is unknown With each passing year science technology and the march of time shine light into the craggy corners of the universe making the fears of an earlier generation seem quaint But this light creates its own shadows *The Best Horror of the Year* edited by Ellen Datlow chronicles these shifting shadows It is a catalog of terror fear and unpleasantness as articulated by today s most challenging and exciting writers The best horror writers of today do the same thing that horror writers of a hundred years ago did They tell good stories stories that scare us And when these writers tell really good stories that really scare us Ellen Datlow notices She s been noticing for more than a quarter century For twenty one years she coedited *The Year s Best Fantasy and Horror* and for the last six years she s edited this series In addition to this monumental cataloging of the best she has edited hundreds of other horror anthologies and won numerous awards including the Hugo Bram Stoker and World Fantasy awards More than any other editor or critic Ellen Datlow has charted the shadowy abyss of horror fiction Join
