saga of me growing up in Germany and later emigrating to New York I was a brooding troubled teenage hacker Wow Good stuff It s almost like my life was the perfect kind of crazy to make a really awesome book Anyway being a teenage hacker came in handy later in life I went from rags to riches thanks to my keen understanding of technology and how to use the web to my advantage In New York I was married to Donna a girl I had met online She was an agoraphobic prone to temper tantrums And fun was had by all which led to a divorce 16 years later That s where the story gets really interesting I began dating It didn t go well I was no good at it OK truth be told I was really bad at it Apparently I had terrible taste in women A heroin addicted hooker named Alice broke my heart and robbed me of my will to live Doesn t sound very fun does it But it s a fun read I promise Dark but fun Mesmerizing even Brokenhearted I moved from New York to Florida That s where the first book ends The second book you missed I m not mad at you I m just disappointed is called The Heroin Scene in Fort Myers which is a very fitting title believe me Sometimes I m a slow learner so I dated my way through the heroin scene in Florida and I couldn t figure out for years why I wasn t finding any wife material But oh how I tried And tried In all the wrong places Pretty sad I m not proud of it After years of sad pathetic sex with heroin addicts I was a wreck My younger self wouldn t have even recognized me Lucy and Veronica had turned me into a broken humiliated shell of a man My heart had been ripped out of my chest so many times it was a miracle I hadn t killed myself yet Seriously it s a fun read I promise At the end of the book I had it up to here with heroin addicts I told myself never again would I let myself be sucked in by the sweet lies of manipulative fake love The name of the final chapter was NO MO HO No more whores I needed to change my life before my life was going to kill me I hopped on a plane back to my native Germany to lick my wounds and heal before returning to America That s where the second book ended And now for our third and final act Funny Frames Oliver C.

Speck,2010-06-03 Taking its cues from the cinematic innovations of the controversial Austrian born director Michael Haneke Funny Frames explores how a political thinking manifests itself in his work The book is divided into two parts In the first Oliver C Speck explores some of Haneke s Deleuzian traits showing how the theoretical concepts of the virtual of filmic space and of realism can be useful tools for unlocking the problems that Haneke formulates and solves through filmic means In the second Speck discusses a range of topics that appear in all of Haneke s films but that haven t until now been fully noticed or analyzed These chapters demonstrate how Haneke plays the role of diagnostician of culture how he reads for example madness suicide and childhood Like several other contemporary European directors Haneke addresses topics considered difficult when measured by the standards of commercial cinema the traumatic effects of violence racism and alienation Funny Frames is an incisive and original contribution to the growing scholarship on one of the most intriguing auteurs of our time **Bad Guys in American History** George Cantor,2020-11-12 Bad Guys in American History recounts the events related to our country s most compelling outlaws from colonial times to the 1930s Complete with photographs of the outlaws and their haunts this book investigates some of American history s most infamous acts and informs readers where they

happened and how to visit those sites today Both a history book and a travel guide Bad Guys in American History shines a revealing light on the dark side of America s past
