JOHN FLAVEL
REVISED FOR THE MODERN READER

The Mystery Of Providence

John Flavell

The Mystery Of Providence:

The Mystery of Providence John Flavel,2025-06-01 Yes God works in mysterious ways The Bible itself emphatically affirms that the thoughts of man are far away from the thoughts of God And that applies not only to the common affairs of life but mostly to the salvation of man from his sinful state The very instrument God uses to bring salvation in front of men the preaching of the Gospel is so foreign to the carnal mind that the preaching of the cross seems foolishness However to those who are saved the Gospel is the very means of salvation and when they look back to their lives to their conversion and their Christian experience they see clearly that all these were part of the wonderful Providence of God And the Puritan John Flavel explained and applied these truths in a marvelous way in his unique book The Mystery of Providence This book was originally published in 1678 This edition has been proofread typeset for eBook readers and lightly updated for modern readers

The Mystery of Providence John Flavel,2011-06 The greatness of God is a glorious and unsearchable mystery For the Lord most high is terrible he is a great king over all the earth Ps 47 2 The condescension of the most high God to men is also a profound mystery Though the Lord be high yet hath he respect unto the lowly Ps 138 6 But when both these meet together as they do in this Scripture they make up a matchless mystery Here we find the most high God performing all things for a poor

distressed creature

The Mystery of Providence John Flavel,2022-06-18 The Mystery of Providence was first published by John Flavel in 1678 Rev John Flavel 1627 1691 was an English Puritan minister writer and theologian committed to the beliefs and teaching of the Protestant Reformation He believed in the biblical truth of the profound balance between God s sovereignty and man s responsibility in submission to the will and designs of God in our lives Flavel s approach to the subject of Providence was not always the most popular in that it is the duty of believers to observe all the performances of God s providence for them especially amidst trials and suffering When John Flavel writes regarding the Providence of God he does not simply provide truth he writes in a captivating way out of a full heart and experiences of the trials and triumphs of life on this side of eternity He knows from Church history and from his own experience of the works of God on behalf of His people Above all he was intimately acquainted with the Word of God and seasoned in its application His treatise is designed to abase man and exalt God and yet composed to excite faith and adoration in the heart of every child of God The Mystery of Providence will undoubtedly bring Christian believers into a deep consideration of God s work of instruction and preservation in their lives We are confident it will also prompt life changing reflection on how we may live a consecrated and victorious life Flavel reveals that it is the duty of believers to observe all the performances of God s providence for them especially when they are in difficulties Clearly this conviction is not shared by the majority of evangelical Christians in the present day Let us learn that in an ultimate sense we can never be outside of the will of God Flavel would teach us that God s will for us is our duty to be found in His Word Providence carries our lives liberties and concerns in its hand every moment Flavel

Mystery of Providence John Flavel,2013-08 The Mystery of Providence by John Flavel presents the Puritan perspective

on the providence of God in practical terms The book is really a lengthy meditation and application of Psalm 52 7 which says I will cry unto God most high unto God that performeth all things for me From this text Flavel derives his doctrine falling in line with typical Puritan sermon structure It is the duty of the saints especially in times of straits to reflect upon the performances of Providence for them in all the states and through all the stages of their lives This theme is then unfolded in a three part treatise covering 1 The Evidence of Providence in which Flavel seeks to prove and demonstrate the reality of God s Providential care over the lives of believers by looking at such things as birth upbringing conversion employment family affairs preservation from evil and sanctification 2 Meditation on the Providence of God where the author shows that it is our duty to meditate on Providence directs in how to do this and then covers ten advantage to gained from this practice and 3 Application of the Doctrine of Providence in which the practical implications of the doctrine are considered and the problems and questions arising in peoples minds are answered Though not as witty or colorful as Thomas Brooks as astute as Stephen Charnock or as experiential as John Owen Flavel does have merits to commend him Having lived a difficult life he knew firsthand how to rely on God s sovereignty in his life Flavel s work cultivates a greater awareness of God s mercy trust in God s wisdom and resignation to God s will in one s life Highly recommended

Matthew McMahon,George Gifford,2021-09-07 This particular work by Gifford contains six pieces now updated into current modern print The first work is worth the cost of the volume itself It is his treatise on The Great Mystery of God s Providence on Genesis 45 8 concerning the historical narrative of Joseph coming to power in Egypt by God s providence He particularly deals with the question To what degree does the holy and righteous God make use of the evil actions of wicked men and devils without any impeachment of his righteousness and holiness This is a

wonderful and masterful treatise that will expand your view of the great mystery of God's providence in the world not only in Joseph's time but throughout all of redemptive history including our own time In his second piece he covers James 2:26 so faith without works is dead while comparing both Paul's use of justification by faith and James' use of justification by works In his third sermon on James 3 he covers the manner in which the Christian's speech ought to glorify God and how very often that it does not This is especially proven out by dealing with Christians in the church where out of the same mouth comes blessing and cursing In his fourth piece he demonstrates the need and virtue of true fortitude to the glory of God In this he considers the strength and vigor of the Christian in all they do in zeal for the glory of Christ In his fifth piece on Psalm 133:1 he covers the need and commendation of unity in the church the unity of the Spirit in the bond of peace as set down by David in the Psalm and echoed in Ephesians by Paul His final piece is an explanation of the parable of the sower from Matt 13:1-9 teaching that in the innumerable multitude that came to hear Christ's heavenly doctrine the Savior shows that out of this great number of people that were so zealous and traveled so far there were three groups out of four that did not profit by his teaching and were therefore still creatures under damnation Only one group of the four were true hearers In all these works Gifford is very easy to read yet exegetically sound and practically deep
