The Nfl Critical And Cultural Perspectives Sporting

Alan Tomlinson, Bryan Clift

The Nfl Critical And Cultural Perspectives Sporting:

The NFL Thomas Oates, Zack Furness, 2015-02-19 The NFL is the first collection of critical essays to focus attention on the NFL as a cultural force The contributors and editors explore how the NFL is packaged for commercial consumption the league's influence on American identity and its relationship to state and cultural militarism to provide a fuller understanding of football's role in shaping contemporary sport media and everyday life back cover

Sport and Militarism Michael L. Butterworth, 2017-06-14 The institutional relationship between sport and the military appears to be intensifying In the US for example which faced global criticism for its foreign policy during the war on terror militaristic images are commonplace at sporting events The growing global phenomenon of conflating sport with war calls for closer analysis This critical interdisciplinary and international book seeks to identify intersections of sport and militarism as a means to interrogate interrupt and intervene on behalf of democratic peaceful politics Viewing sport as a crucial site in which militarism is made visible and legitimate the book explores the connections between sport the military and the state and their consequent impact on wider culture Featuring case studies on sports such as association football baseball and athletics from countries including the US UK Germany Canada South Africa Brazil and Japan each chapter sheds new light on the shifting significance of sport in our society This book is fascinating reading for all those interested in sport and politics the sociology of sport communication studies the ethics and philosophy of sport or military sociology

CTE, Media, and the NFL Travis R. Bell, Janelle Applequist, Christian Dotson-Pierson, 2019-06-25 CTE Media and the NFL Framing a Public Health Crisis as a Football Epidemic examines the central role of media in constructing an entangled relationship between chronic traumatic encephalopathy CTE and the National Football League NFL challenging a predominately symbiotic sports media complex The authors of this book analyze more than a decade of media coverage along with three prominent films to unpack how media discourse resurrects CTE a preventable degenerative brain disease linked to boxing in 1928 and subsequently frames it as a football epidemic dating back to 2005 The authors position CTE as a public health crisis whereby media coverage of CTE and the NFL's vigorous reliance on controversial published research by the Mild Traumatic Brain Injury MTBI Committee parallels the moral panic of the HIV AIDS epidemic and Big Tobacco's manufacturing of doubt through faulty science This book argues that the continued aspiration and idolization of the NFL and its lack of accountability for health concerns surrounding brain injuries highlight the firm grasp of hegemonic masculinity on the ideology of American football further problematizing media's glorification of the sport Scholars of sports media health communication and general media studies will find this book particularly useful to discuss longitudinal effects of media framing centered on critical health risks in sport and the challenge of translating accurate scientific knowledge to the public domain

The Eternal Present of Sport Daniel A. Grano, 2017-06 In his persuasive study *The Eternal Present of Sport* Daniel Grano rethinks the sport religion relationship by positioning sport as a source of theological trouble Focusing on bodies time movement and memory he demonstrates how

negative theology can be practically and theoretically useful as a critique of elite televised sport Grano asserts that it is precisely through sport's highest religious ideals that controversies are taking shape and constituting points of political and social rupture He examines issues of transcendence legacy e g greatest ever or all time and witnessing through instant replay which undermine institutional authority Grano also reflects on elite athletes representing especially powerful embodiments of religious and social conflict including around issues related to gender sexuality ability doping traumatic brain injury and institutional greed Elite sport is in a period of profound crisis It is through the ideals Grano analyzes that we can imagine a radically alternative future for elite sport

Sport and Performance in the Twenty-First Century Kelsey Blair, 2022-12-30 Analyzing sport through the lens of performance and theorizing performance through the lens of sport *Sport and Performance in the Twenty First Century* offers a field intervention a series of in depth performance analyses and an investigation of the intersection between sport performances and public life in the historical present in the global north The objectives of this book are three fold First the book advocates for the study of sport in the fields of Theatre and Performance Studies and through in depth performance analyses demonstrates how the critical language and methods of performance studies help illuminate the manifold impacts of the practices activities and events of sport Second the book introduces new critical language that was originally developed in conjunction with sport but is also designed for cross genre performance analysis In introducing novel terminology the book aims to simultaneously facilitate analysis of sport performances and to demonstrate how the study of sport can contribute to the fields of Theatre and Performance Studies Finally the book investigates the epistemological affective and socio political effects of sport performances in order to illuminate how sport performances influence and are influenced by their historical conditions This study will be of great interest to students and scholars in Theatre and Performance Studies Physical Culture Studies and Socio Cultural Sports Studies

[The Power of Sports](#) Michael Serazio, 2019-04-23 A provocative must read investigation that both appreciates the importance of and punctures the hype around big time contemporary American athletics In an increasingly secular fragmented and distracted culture nothing brings Americans together quite like sports On Sundays in September more families worship at the altar of the NFL than at any church This appeal which cuts across all demographic and ideological lines makes sports perhaps the last unifying mass ritual of our era with huge numbers of people all focused on the same thing at the same moment That timeless live quality impervious to DVR evoking ancient religious rites makes sports very powerful and very lucrative And the media spectacle around them is only getting bigger brighter and noisier from hot take journalism formats to the creeping infestation of advertising to social media celebrity schemes More importantly sports are sold as an oasis of community to a nation deeply divided They are escapist apolitical the only tie that binds In fact precisely because they appear allegedly above politics sports are able to smuggle potent messages about inequality patriotism labor and race to massive audiences And as the wider culture works through shifting gender roles and masculine power those anxieties are

also found in the experiences of female sports journalists athletes and fans and through the coverage of violence by and against male bodies Sports rather than being the one thing everyone can agree on perfectly encapsulate the roiling tensions of modern American life Michael Serazio maps and critiques the cultural production of today's lucrative ubiquitous sports landscape Through dozens of in depth interviews with leaders in sports media and journalism as well as in the business and marketing of sports The Power of Sports goes behind the scenes and tells a story of technological disruption commercial greed economic disparity military hawkishness and ideals of manhood In the end despite what our myths of escapism suggest Serazio holds up a mirror to sports and reveals the lived realities of the nation staring back at us Communication and Sport Andrew C. Billings, Michael L. Butterworth, Nicky Lewis, 2025-07-15 Communication and Sport Surveying the Field examines a wide array of topics necessary for students to understand sports media rhetoric culture and organizations from micro to macro level issues Everything from youth to amateur to professional sports is addressed through varied useful lens such as mythology community and identity Communication and Sport introduces readers to the traditions and vocabulary found in communication scholarship as it then explains what distinguishes communication from related disciplinary approaches such as sociology anthropology history and cultural studies Subsequent chapters explore such issues as fan cultures racial identity and gender in sports media politics and nationality in sports parent child relationships and player coach interactions in sports sports and religion and crisis communication in sports organization In response to changes in the sporting landscape the Fifth Edition features an extensive structural change and reorganization with newly designed units and chapters in addition to introducing a new coauthor Nicky Lewis **Insights in sports social science** Hans Westerbeek, Gayle McPherson, Jess C. Dixon, 2023-06-22 **Populism in Sport, Leisure, and Popular Culture** Alan Tomlinson, Bryan Clift, 2021-03-28 This book examines and establishes the sociological relevance of the concept of populism and illuminates the ideological use of sport leisure and popular culture in socio political populist strategies and dynamics The first part of the book Themes Concepts Theories sets the scene by reviewing and evaluating populist themes concepts and theories and exploring their cultural historical roots in and application to cultural forms such as mega sports events reality television programmes and the popular music festival The second part National Contexts and Settings examines populist elements of events and regimes in selected cases in South America and Europe Argentina Brazil Greece Italy and England In the third part Trump Times the place of sport in the populist ideology and practices of US president Donald Trump is critically examined in analyses of Trump's authoritarian populism his Twitter discourse Lady Gaga at the Super Bowl and populist strategy on the international stage The book concludes with a discussion of the strong case for a fuller sociological engagement with the populist dimensions of sport leisure and popular cultural forms Written in a clear and accessible style this volume will be of interest to sociologists and social scientists beyond those specialising in popular culture and cultural politics of sport and leisure as the topic of populism and its connection to popular cultural forms and practices has come

increasingly into prominence in the contemporary world **Football, Culture and Power** David J. Leonard, Kimberly B. George, Wade Davis, 2016-10-14 What does it mean when a hit that knocks an American football player unconscious is cheered by spectators What are the consequences of such violence for the participants of this sport and for the entertainment culture in which it exists This book brings together scholars and sport commentators to examine the relationship between American football violence and the larger relations of power within contemporary society From high school and college to the NFL Football Culture and Power analyses the social political and cultural imprint of America's national pastime The NFL's participation in and production of hegemonic masculinity alongside its practices of racism sexism heterosexism and ableism provokes us to think deeply about the historical and contemporary systems of violence we are invested in and entertained by This social scientific analysis of American football considers both the positive and negative power of the game generating discussion and calling for accountability It is fascinating reading for all students and scholars of sports studies with an interest in American football and the wider social impact of sport Chapter 14 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **Making Sport Great Again** David L. Andrews, 2019-04-05 Blending critical theory conjunctural cultural studies and assemblage theory Making Sport Great Again introduces and develops the concept of uber sport the sporting expression of late capitalism's conjoined corporatizing commercializing spectacularizing and celebritizing forces On different scales and in varying spaces the uber sport assemblage is revealed both to surreptitiously reinscribe the neoliberal preoccupation with consumption and to nurture the individualized consumer subject Andrews further probes how uber sport normalizes the ideological orientations and affective investments of the Trump assemblage's authoritarian populism Even as it articulates the regressive politicization of sport Making Sport Great Again serves also as a call to action how might progressives rearticulate uber sport in emancipatory and actualizing political formations Sports and Politics Frank Jacob, 2020-08-24 Sport is everything but never solely sport The commodification of human pleasure in or about many sports led to an increased political interest and dimension with regard to the major leagues and their stars Corruption and scandals increased while the human being in sports was and still is very often exploited or mistreated These problems often relate to the political dimension as well Consequently it seems very promising and necessary alike to take a closer look at the interrelation of sports and politics The present volume addresses this interrelation from different angles when talking about issues like racism gender inequality or classism **Sport, Medicine and Health** Dominic Malcolm, 2016-12-01 The relationship between sport medicine and health in our society is becoming increasingly complex This important and timely study explores this relationship through an analysis of changing political economies altered perceptions of the body and science's developing contribution to the human condition Surveying the various ways in which medicine interacts with the world of sport it examines the changing practices and purposes of sports medicine today Drawing

on the latest research in the sociology of sport this book investigates the scientific discourse underlying the promotion of physical activity to reveal the political context in which medical knowledge and public policies emerge It considers the incongruities between these policies and their attempts to regulate the supply of and demand for sports medicine Through a series of original case studies this book exposes the social construction of sports medical knowledge and questions the potential for medicine to influence athletes well being both positively and negatively Sport Medicine and Health The medicalization of sport provides valuable insights for all students and scholars interested in sports medicine sports policy public health and the sociology of sport **The Palgrave Handbook of Sport, Politics and Harm** Stephen Wagg, Allyson M. Pollock, 2022-01-01 This book looks historically at the harm that has been inflicted in the practice of sport and at some of the issues debates and controversies that have arisen as a result Written by experts in history sociology sport journalism and public health the book considers sport and injury in relation to matters of social class gender ethnicity and race sexuality political ideology and national identity health and wellbeing childhood animal rights and popular culture These matters are in turn variously related to a range of sports including ancient pre and early industrial sports American football boxing wrestling and other combat sports mountaineering horseracing cycling motor racing rugby football cricket association football baseball basketball Crossfit ice hockey Olympic sports Mixed Martial Arts and sport in an imagined dystopian future

The Palgrave Handbook of Masculinity and Sport Rory Magrath, Jamie Cleland, Eric Anderson, 2019-09-04 Over the past two decades there has been a rapid transformation of masculinities in the West largely facilitated by a decline in cultural homophobia The significant changes in the expression of masculinity particularly among younger generations of men have been particularly evident in men's team sports which have become an increasingly diverse and inclusive culture Drawing upon work from a wide range of established and emerging international scholars this handbook provides a comprehensive and interdisciplinary analysis of the contemporary relationship between masculinity and sport It covers a range of areas including history media gender sexuality race violence and fandom considering how they impact a range of different sports across the world Students and scholars across many disciplines will find the unparalleled overview provided by these specially commissioned chapters an invaluable resource **The End of College Football** Nathan Kalman-Lamb, Derek Silva, 2024-11-19 In this book Nathan Kalman Lamb and Derek Silva offer an existential challenge to one of America's favorite pastimes college football Drawing on twenty five in depth interviews with former players from some of the country's most prominent college football teams Kalman Lamb and Silva explore how football is both predicated on a foundation of coercion and suffused with racialized harm and exploitation Through the stories of those who lived it the authors examine the ways in which college football must be understood as a site of harm revealing how players are systematically denied the economic value they produce for universities and offered only a devalued education in return By illuminating the plantation dynamics that make college football a particularly racialized form of exploitation the book makes legible the forms of physical sacrifice

that are required the ultimate cost in health and well being and the coercion that drives players into the sport and compels them to endure such abusive conditions **Sports TV** Victoria E. Johnson,2021-03-24 This book offers an introductory guide to sports TV its history in the United States the genre s defining characteristics and analysis of its critical significance for the business practices formal properties and social cultural and political meanings of the medium Victoria E Johnson discusses a range of examples from textual analysis of programs such as Monday Night Football and Being Serena to examination of television rights details to sports TV s technological innovations and engagement of critical political debates Johnson examines sports TV from its introduction to the ESPN era She proposes that sports as seen on TV in all of its iterations is the central cultural forum for working through questions of community ideals struggles over national and regional mythologies and questions of representative citizenship This book is an ideal guide for students and scholars of television media and cultural studies as well as those with an interest in television genre sports TV history and contemporary sport and media culture

Tactical Inclusion Jeremiah Favara,2024-04-09 The revolution in military recruitment advertising to people of color and women played an essential role in making the US military one of the most diverse institutions in the United States Starting at the dawn of the all volunteer era Jeremiah Favara illuminates the challenges at the heart of military inclusion by analyzing recruitment ads published in three commercial magazines Sports Illustrated Cosmopolitan and Ebony Favara draws on Black feminism critical race theory and queer of color critique to reveal how the military and advertisers affected change by deploying a set of strategies and practices called tactical inclusion As Favara shows tactical inclusion used representations of servicemembers in the new military to connect with people susceptible to recruiting efforts and rendered these new audiences vulnerable to valuable to and subject to state violence Compelling and eye opening Tactical Inclusion combines original analysis with personal experience to chart advertising s role in building the all volunteer military

Accessibility, Diversity, Equity and Inclusion in the Cultural Sector Julie Bérubé,Marie-Laure Dioh,Antonio C. Cuyler,2024-08-20 Advocating for the immersion of ADEI practices into the heart of art organizations this title links theory practice and context as a way to further enrich cultural communities and wield the deeply human power of art for real human impact

Gridiron Capital Lisa Uperesa,2022-07-18 Since the 1970s a Polynesian Pipeline has brought football players from American Samoa to Hawaii and the mainland United States to play at the collegiate and professional levels In Gridiron Capital Lisa Uperesa charts the cultural and social dynamics that have made football so central to Samoan communities For Samoan athletes football is not just an opportunity for upward mobility it is a way to contribute to support and represent their family village and nation Drawing on ethnographic fieldwork archival research and media analysis Uperesa shows how the Samoan ascendancy in football is underpinned by the legacies of US empire and a set of imperial formations that mark Indigenous Pacific peoples as racialized subjects of US economic aid and development Samoan players succeed by becoming entrepreneurs building and commodifying their bodies and brands to enhance their football stock and market value Uperesa

offers insights into the social and physical costs of pursuing a football career the structures that compel Pacific Islander youth toward athletic labor and the possibilities for safeguarding their health and wellbeing in the future Duke University Press Scholars of Color First Book Award recipient

The Nfl Critical And Cultural Perspectives Sporting Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Nfl Critical And Cultural Perspectives Sporting free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Nfl Critical And Cultural Perspectives Sporting free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Nfl Critical And Cultural Perspectives Sporting free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading The Nfl Critical And Cultural Perspectives Sporting. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Nfl Critical And Cultural Perspectives Sporting any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Nfl Critical And Cultural Perspectives Sporting Books

1. Where can I buy The Nfl Critical And Cultural Perspectives Sporting books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Nfl Critical And Cultural Perspectives Sporting book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
