The Older Man Next Door Taboo Erotic Romance English Edition:

Taboo Don Kulick, Margaret Willson, 2003-09-02 Taboo looks at the ethnographer and sexuality in anthropological fieldwork and considers the many roles that sexuality plays in the anthropological production of knowledge and texts How does the sexual identity that anthropologists have in their home society affect the kind of sexuality they are allowed to express in other cultures How is the anthropologists sexuality perceived by the people with whom he or she does research How common is sexual violence and intimidation in the field and why is its existence virtually unmentioned in anthropology These are but a few of the questions to be confronted exploring from differing perspectives the depth of the influence this tabooed topic has on the entire practice and production of anthropology A long overdue text for all students and lecturers of anthropology many post fieldwork readers will find a resonance of issues they have previously faced or tried to avoid and those who are still to undertake fieldwork will find articles that refer to other kinds of personal and professional experience as well as providing invaluable preparations for coping in the field

Björk's Homogenic Emily Mackay, 2017-10-05 In recent years Björk's artistry has become ever more ambitious and ever more respected With the release of her conceptual album Biophilia in 2011 and a huge retrospective exhibition at New York's Museum of Modern Art coinciding with her most recent album Vulnicura in 2015 her status as artpop auteur has been secured The album that made all this possible though is 1997's Homogenic a turning point in Björk's career and still among her finest musical achievements Produced under great strain it moves beyond the stylistic magpie rush of Debut and the urbanophile future pop of Post to something darker stronger and braver full of dramatic assertions of independence sharp stuttering beats rich strings and raw outbursts of noise It created as the Alexander McQueen designed sleeve clearly asserted a new Björk one who would never stop hunting

New York Magazine, 1994-11-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Available As Is Debbie Weiss, 2025-07-30 After losing her husband George her one and only since high school prom to cancer fifty year old Debbie Weiss found herself opening a new chapter of life that she didn't know how to start Initially she binge watched Netflix and drank Manhattans Then she

became a dating monster starting with J Date and then moving on to multiple other sites Soon Debbie was averaging two dates a day in the blink of an eye she'd gone from respectable widow to the girl you'd do in your Trans Am but wouldn't take to the prom At one point she was actually dating four guys at once including a politician who refused to let Debbie meet his family because they'd met online But as she juggled these many men she began to feel that midlife dating was less an earnest romantic endeavor and more a battle of the sexes and the line in the sand was how much women were willing to tolerate Fed up Debbie went offline Only then without the distraction of dating to keep her busy did she finally truly grieve her loss and as she did she also realized that she needed to forgive herself both for George's death and for losing her identity in their marriage Equal parts poignant and punchy Available As Is is a darkly humorous account of seeking love but finding yourself
