The Patrons English Edition:

The Patron Anthony David, 2014-09-09 The rags to riches story of one of Europe's great entrepreneurs and a founding father of modern Jewish secular culture The name Schocken now primarily associated with the prestigious publishing house was once emblazoned over a vast commercial empire across Europe it stood for quality consumer goods and uplifting culture made available for working people A sweeping colorful saga The Patron is the first biography of Salman Schocken founder of a large department store chain and Jewish philanthropic titan We follow Schocken's transformation from an impoverished migrant selling textiles door to door to a captain of German industry at once media magnate collector talent scout and patron The merchandizing millionaire then harnessed his fortune to a vision to disseminate Jewish secular culture to the Jewish masses in much the same way as he marketed well designed coffeepots to the working class His task as he saw it was not to spread culture but to create it through publishing houses newspapers and the patronage of such influential modern thinkers such as Martin Buber and Thomas Mann But as the Nazi regime closed in on Schocken's empire the resilient tycoon transferred his energies and passions to Palestine and New York In The Patron historian Anthony David fills in a missing piece of twentieth century history the towering life of a self made man who with courage and tenacity helped fashion a people's national and cultural renaissance

The Writer's Gift or the Patron's Pleasure? Deborah McGrady, 2019-01-02 The Writer's Gift or the Patron's Pleasure introduces a new approach to literary patronage through a reassessment of the medieval paragon of literary sponsorship Charles V of France Traditionally celebrated for his book commissions that promoted the vernacular Charles V also deserves credit for having profoundly altered the literary economy when bypassing the traditional system of acquiring books through gifting to favor the commission When upturning literary dynamics by soliciting works to satisfy his stated desires the king triggered a multi generational literary debate concerned with the effect a work's status as a solicited or unsolicited text had in determining the value and purpose of the literary enterprise Treating first the king's commissioned writers and then canonical French late medieval authors Deborah McGrady argues that continued discussion of these competing literary economies engendered the concept of the writer's gift which vernacular writers used to claim a distinctive role in society based on their triple gift of knowledge wisdom and literary talent

The Patron's Payoff Jonathan K. Nelson, Richard J. Zeckhauser, 2014-03-10 An analysis of Italian Renaissance art from the perspective of the patrons who made conspicuous commissions this text builds on three concepts from the economics of information signaling signposting and stretching to develop a systematic methodology for assessing the meaning of patronage

The Mentor, 1923 **Careers in Music Librarianship III** Susannah Cleveland, Joe C. Clark, 2014-01-01 Music librarianship a profession that brings joy and satisfaction to many is subject to constant change that requires in turn continual adaptation from its practitioners so that they become comfortable with new technologies and formats changing standards and fresh approaches Relevant and solid training and education are crucial to success in this field but they alone

are insufficient to guarantee placement or promotion Recent economic shifts have created additional instability leaving graduates from programs in librarianship sometimes unemployed and with little feedback about the quality of their experience and education while their employed counterparts likewise have little knowledge of their skills relevance to the current job market Knowledge of training education and current employer expectations for music librarians can help ease such concerns and pave the way for a successful career or career change As with the two previous editions of *Careers in Music Librarianship* this volume provides career resources and guidance for current and future librarians as well as insights for mentors and educators working with these populations With this volume the contributors provide a selection of readings that can help people in and considering this profession to make realistic informed and strategic decisions about how to succeed in it As the profession changes so must the professionals within it and everyone involved with music librarianship will benefit from the guidance offered in this exciting new book

Pilgrims, Patrons, and Place Phyllis Granoff, Koichi Shinohara, 2003 This book brings together essays by anthropologists scholars of religion and art historians on the subject of sacred place and sacred biography in Asia The chapters span a broad geographical area that includes India Nepal Thailand Indonesia and China and explore issues from the classical and medieval periods to the present They show how sacred places have a plurality of meanings and how in their construction secular politics private religious experience and sectarian rivalry intersect Contributors explore the fundamental challenges that religious groups face as they expand from their homeland or confront the demands of modernity While some chapters deal with well known religious movements and sites others discuss little known groups and help to enrich our understanding of the diversity of religious belief in Asia The book will be of interest not only to scholars of Asian religion and hagiography but also to others who seek to understand the ways in which religious groups accommodate the challenges of new environments and new times

A Modern Dick Whittington Or, A Patron of Letters James Payn, 1892 **The Methodist Magazine**, 1828 **Lorenzo di Filippo Strozzi and Niccolo Machiavelli: Patron, Client, and the Pistola fatta per la peste/An Epistle Written Concerning the Plague** William J. Landon, 2013-01-01 William J Landon reveals Strozzi's influence on Machiavelli through wide ranging textual investigations and especially through Strozzi's *Pistola fatta per la peste* for which Landon has provided the first ever complete English translation and critical edition

The Medieval Mystical Tradition in England Marion Glasscoe, 1987 These papers are the proceedings of the fourth international Exeter Symposium They promote enquiry into and understanding of the medieval mystics and the cultural context to which they belong Here historians literary critics theologians philosophers and bibliographical scholars explore ways in which the contemplative tradition was mediated and perceived in the very early and very late medieval period and ask fundamental questions about the nature of contemporary understanding of this subject
