The Menace Of The Religious Movie Crossreach Publications:

The Menace of the Religious Movie A. W Tozer, 2017-11-09 Within the last few years a new method has been invented for imparting spiritual knowledge or to be more accurate it is not new at all but is an adaptation of a gadget of some years standing one which by its origin and background belongs not to the Church but to the world Some within the fold of the Church have thrown their mantle over it have blessed it with a text and are now trying to show that it is the very gift of God for our day But however eloquent the sales talk it is an unauthorized addition nevertheless and was never a part of the pattern shown us on the mount I refer of course to the religious movie A W Tozer **Vijf Geloften Voor Geestelijke Kracht**

A. W. Tozer, 2018-11-14 Sommige mensen verzetten zich tegen het afleggen van geloften maar in de Bijbel vind je veel grote mensen van God die worden geleid door verbonden beloften geloften en toezeggingen De psalmist was niet wars van het afleggen van geloften Uw geloften zijn op mij o God zei hij Ik zal u mijn lof bezingen Psalm 56 12 Mijn raad in deze zaak is dat als je je echt zorgen maakt over spirituele verbetering het verkrijgen van nieuwe kracht nieuw leven nieuwe vreugde en nieuwe persoonlijke opleving in je hart je er goed aan doet om bepaalde geloften af te leggen en ze te houden Als je zou falen word dan nederig en bekeer je en begin opnieuw Maar houd altijd deze geloften voor je Ze zullen je hart helpen harmoniseren met de enorme krachten die uit en naar beneden stromen van de troon waar Christus aan de rechterhand van God zit The Menace of the Religious Movie A. Aiden Wilson Tozer, 1984 *The Menace of the Religious Movie* Aiden William Tozer, 195? **God Still Speaks** A. W Tozer, 2017-09-22 A W Tozer was a man who knew the voice of God He shared this experience with every true child of God With all those who are called by the grace of God to share in the mystical union that is possible with Him through His Son Jesus Tozer fought against much dryness and formality in his day Considered a mighty man of God by most Evangelicals today he was unconventional in his approach to spirituality and had no qualms about consulting everyone from Catholic Saints to German Protestant mystics for inspiration on how to experience God more fully Here are two writings by Tozer that touch on the heart of this goal Revelation is Not Enough and The Speaking Voice Also included is a bonus chapter The Menace of the Religious Movie This is meat to sink your spiritual teeth into Tozer's writings will show you the way to satisfy your spiritual hunger Another hard hitting Tozer title we recommend is Total Commitment to Christ What is it <http://www.amazon.com/gp/product/B0103Z20MC> **After The Passion is Gone** J. Shawn Landres, Michael Berenbaum, 2004 Mel

Gibson's *The Passion of the Christ* topped box office charts and changed the American religious conversation. The controversies it raised remain unsettled. In *After The Passion Is Gone: American Religious Consequences*, leading scholars of religion and theology ask what Gibson's film and the resulting controversy reveal about Christians, Jews, and the possibilities of interreligious dialogue in the United States. Landres and Berenbaum's collection moves beyond questions of whether or not the film was faithful to the gospels, too violent or antisemitic, and explores why the debate focused on these issues but not others. The public discussion of *The Passion* shed light on a wide range of American attitudes: evangelical Protestant, mainline Protestant, Roman Catholic, and Jewish, about media and faith, politics and history, Jesus and Judaism, fundamentalism and victimhood. *After The Passion Is Gone* takes a unique view of vital points in Christian-Jewish relations and contemporary American religion.

Catholics in the Movies Colleen McDannell, 2008 Catholicism was all over movie screens in 2004. Mel Gibson's *The Passion of the Christ* was at the center of a media firestorm for months. A priest was a crucial character in the Academy Award-winning *Million Dollar Baby*. Everyone it seemed was talking about how religious stories should be represented, marketed, and received. Catholic characters, spaces, and rituals have been stock features in popular films since the silent era. An intensely visual religion with a well-defined ritual and authority system, Catholicism lends itself to the drama and pageantry of film. Moviegoers watch as Catholic visionaries interact with the supernatural, priests counsel their flocks, reformers fight for social justice, and bishops wield authoritarian power. Rather than being marginal to American popular culture, Catholic people, places, and rituals are all central to the world of the movie. *Catholics in the Movies* begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies' hundred-year history of representing Catholics. Each chapter is written by a noted scholar of American religion who concentrates on one movie that engages important historical, artistic, and religious issues and then places the film within American cultural and social history, discusses the film as an expression of Catholic concerns of the period, and relates the film to others of its genre. Tracing the story of American Catholic history through popular films, *Catholics in the Movies* should be a valuable resource for anyone interested in American Catholicism and religion and film.

God in the Movies Andrew M. Greeley, 2017-08-02 The religious imagination is alive and well in the movies. Contrary to those who criticize Hollywood, popular movies very often have metaphorically represented God on the screen. From Clint Eastwood as an avenging angel in *Pale Rider* and Nicolas Cage as a love-sick angel in *City of Angels* to Jessica Lange as an angel of death in *All That Jazz* and from George Burns as God in *Oh, God!* to Audrey Hepburn in *Always* to pure white light in *Fearless* and *Flatliners*, God is very much present in the movies. Images of angels and God used by movie makers are explored here. This intelligent, insightful volume is an exercise in urban anthropology. Religious imagination is the subject, and the movie house is its location. The authors show that the religious imagination is irrepressible and shows up in our best-known example of popular culture's movies. Contrary to conservative opinion that suggests that Hollywood is anti-religious, Greeley and

Bergesen find just the opposite Ordinary movies not explicitly about religion and not made by particularly religious individuals often demonstrate some basic religious theme point or message God in the Movies does not judge or approve recommend or criticize the authors simply alert the reader to the great variety of metaphors for God angels heaven and hell from beautiful women to white light at the end of the tunnel to Groundhog Day They are not concerned with explicitly religious movies This is not a study of Ben Huror The Last Temptations of Christ but rather of ordinary mass release movies including Field of Dreams Always All That Jazz Commandments Babette s Feast Fearless Breaking the Waves Jacob s Ladder Flatliners Ghost Pale Rider Star Wars 2001 Dogma and even Japanimation like Ghost in the Shell The authors vivid explication of various cinematic metaphors for God is accompanied by an analysis of what these movies tell about our sociological attitudes toward life and death They also discuss the social conditions that give rise to various kinds of imagery and forms of movies In a real sense this book is for both the professional concerned with religion sociology cultural studies anthropology media and cinema studies and the layperson interested in how popular movies also contain religious imagery

The Religious Film Pamela Grace,2009-05-11 From The Gospel According to Matthew to Jesus ChristSuperstar from The Passion of Joan of Arc to TheLast Temptation of Christ and Jesus of Montreal TheReligious Film captures the glory gore and centrality of thisimportant genre A short accessible introduction to religious film exploringthe genre as spectacle as musical and as controversy Examines the historical cultural and critical background forreligious films from the silent era through to the presentday Introduces the complexities and characteristics of this iconicgenre of film including common sounds and images and the values that most traditional films of this kind uphold

A Christian Response to Horror Cinema Peter Fraser,2015-03-27 Christianity has had a powerful influence on every sphere of Western art even art which on the surface might seem antithetical to the faith This book argues that point with an analysis of the horror film genre examining nine classics which illustrate the evolution of horror and reveal a culture haunted by fear of the unspeakable The history and literary roots of the horror genre are also discussed The author concludes that our innate dread of evil and the imperative of warding it off are the key mechanics of the horror experience Films covered include Vampyr 1932 The Mummy 1932 The Thing 1951 Night of the Demon 1957 The Wicker Man 1973 The Exorcist 1973 Halloween 1978 Ringu 1998 and Pan s Labyrinth 2006

You are what You See Scott Nehring,2010 In this book the author reveals the truth behind what you see on screen Movies are much more than just flickering lights on a wall Movies matter Movies impact your life every day even if you never watch one Why can movies

affect us so deeply How can one producer actor director or writer change the way we think Movies will continue to radically modify our culture Find out how and why Learn how you can play a part in changing our culture for the decades ahead and how to guide your children to do the same from back cover *The Gospel According to Hollywood* Greg Garrett,2007-01-01 In this new book in the Gospel According To series Garrett looks at the theological elements in dozens of classic Hollywood films including a discussion about what the new openness to spirituality in the movies might mean for the future of American cinema and American religion Biblical Studies **Faith and Film** Edward N. McNulty,2007-01-01 Growing numbers of church leaders are discovering that many films are able to impact viewers with gospel truths almost as well as a good sermon Ed McNulty a former pastor and longtime reviewer of films offers this guide to help church leaders enter into dialogue with contemporary films McNulty carefully crafts a theology of movies and then provides practical suggestions for creating and leading movie discussions with groups In addition he provides people from all across the theological spectrum with a framework to understand whether the overall message of a film outweighs concerns over profanity violence or sex in the film He concludes by introducing twenty seven films and including provocative questions about each that will prepare leaders to assemble and facilitate a group Popular films explored include *The Color Purple* *Crash* *Hotel Rwanda* *The Matrix* *Million Dollar Baby* *O Brother Where Art Thou* and *The Shawshank Redemption* American Religious and Biblical Spectaculars Gerald E. Forshey,1992-07-30 Chapter 1 differentiates between religious spectaculars and biblical spectaculars The following chapters discuss early religious films and how the post war and cold war eras led to a struggle to define the righteous nation Chapters on biblical spectaculars examine films in which sex and social responsibility was a paramount concern *Samson and Delilah* *David and Bathsheba* The 1960s were dominated by films about Jesus and the search for an ethical system for a world undergoing rapid social change One entire chapter is devoted to Cecil B DeMille s *The Ten Commandments* the epitome of the biblical spectacular form followed by a chapter on John Huston s *The Bible* as a culmination of the form and a final chapter on how television rethought spectaculars and how Martin Scorsese s *The Last Temptation of Christ* drew the battle lines between humanistic Christians and evangelical Christians Mel Gibson's Passion and Philosophy Jorge J. E. Gracia,2013-11-14 Mel Gibson s *The Passion of the Christ* has become one of the most controversial films ever made and it is already a blockbuster of cinematography Its defenders passionately regard it as one of the most moving and influential pieces of religious art ever created But its detractors argue with comparable vehemence that the violence and gore it contains its alleged anti-Semitism a particular take on the Christian message and the lack of historical and Biblical accuracy make it nothing more than a kind of political propaganda Father Thomas Rosica hailed as one of the great masterpieces of religious art but the secular humanist Paul Kurtz thinks of it as a political weapon in the hands of the religious right Film critics are divided in their judgment giving the film anywhere from no stars to five stars Regardless of what one thinks of the film however its impact both personal and social is beyond question
