Liang A-Fa George Hunter McNeur, 2014-03-13 Liang Fa holds a unique place in the history of Christianity in China Baptized and ordained by the first Protestant missionaries to China Liang aided the first two generations of missionaries and conducted his own work as an evangelist and writer Liang alone in the first generation wrote and published under his name and his most famous tract is believed to have influenced the Taiping Rebellion While George McNeur's biography of Liang has been republished regularly in Chinese this is the first republication in English since the 1930s It remains the best work on an influential but little studied figure Annotated and with a critical introduction this work seeks to revive scholarship on Liang as we approach the two hundredth anniversary of his baptism **The Canon of Scripture** F. F. Bruce, 2025-07-03 Winner of two 1990 Christianity Today Awards Readers Choice 1st place theology doctrine and Critics Choice 1st place theology doctrine A 1989 ECPA Gold Medallion Award winner How did the books of the Bible come to be recognized as Holy Scripture Who decided what shape the canon should take What criteria influenced these decisions After nearly nineteen centuries the canon of Scripture remains an issue of debate Protestants Catholics and Orthodox all have slightly differing collections of documents in their Bibles Martin Luther one of the early leaders of the Protestant Reformation questioned the inclusion of the book of James in the canon And many Christians today while confessing the authority of all of Scripture tend to rely on only a few books and particular themes while ignoring the rest Scholars have raised many other questions as well Research into second century Gnostic texts have led some to argue that politics played a significant role in the formation of the Christian canon Assessing the influence of ancient communities and a variety of disputes on the final shaping of the canon call for ongoing study In this significant historical study F F Bruce brings the wisdom of a lifetime of reflection and biblical interpretation to bear on questions and confusion surrounding the Christian canon of Scripture Adept in both Old and New Testament studies he brings a rare comprehensive perspective to the task Though some issues have shifted since the initial publication of this classic book it remains a significant landmark and touchstone for further studies *The baptist Magazine*, 1838 The Poem of Job ...
