## **The Nanny With The Skull Tattoos:**

**The Nanny with the Skull Tattoos** Elizabeth Barone, 2015-02-24 Max will have to drop out of school if he can't find anyone to help take care of his two year old daughter. He never expected to find Savannah and he definitely didn't expect to fall in love with her. Max became the family screwup when he got his high school girlfriend pregnant and his parents have never forgiven him. Just as he's almost done with his sophomore year of college his mother tells him that it's time for him to move out and he has to take his two year old daughter Chloe with him. Getting an apartment won't be too big of a problem but when Max's mother also tells him that she won't be watching Chloe anymore he might have to drop out of school. With no other choice Max posts an ad online offering his third bedroom and a weekly paycheck in exchange for a nanny for Chloe. He doesn't expect anyone to answer and he definitely doesn't expect a woman with a sleeve of skull tattoos. Desperate Max agrees to interview Savannah and he is surprised to discover that she is great with Chloe. As he gets to know Savannah even more he begins to think that he might just have a shot at love again. Before he can even try Chloe's mother forces her way back into his and Chloe's lives and she is determined to drag them through the mud once again. **The Nanny State Made**

**Me** Stuart Maconie, 2020-03-05 He is as funny as Bryson and as wise as Orwell. Observer. It was the spirit of our finest hour the backbone of our post war greatness and it promoted some of the boldest and most brilliant schemes this isle has ever produced. It was the Welfare State and it made you and I. But now it's under threat and we need to save it. In this timely and provocative book Stuart Maconie tells Britain's Welfare State story through his own history of growing up as a northern working class boy. What was so bad about properly funded hospitals, decent working conditions and affordable houses? And what was so wrong about student grants, free eye tests and council houses? And where did it all go so wrong? Stuart looks toward Britain's future making an emotional case for believing in more than profit and loss and championing a just fairer society. **Her Mercy** Elizabeth Barone, The last time Bree ran away she put the love of her life Mercy in prison. Now that he's out he's got to find her and convince her they belong together so they can both be free. Bree has been running for decades. Every time she gets into trouble the River Reapers MC covers her tracks. That's how she met Mercy the only man who's ever loved her and the reason she's running again. Mercy has an ache in his bones that not even freedom can soothe. When Bree disappeared she put him in prison both metaphorically and physically. Mercy needs to find Bree and reclaim the home they once found in each other. But Bree is still buckling under the weight of her own prison and if Mercy doesn't find her before her past does she'll disappear forever. **Her Mercy** is a second chance age gap dark romance and is a prequel to the River Reapers MC series. **Hadean: Threshold of Extinction** Linda Andrews, 2015-05-04 Spliced in a lab.
