**Human Minds and Animal Stories** Wojciech Małeck, Piotr Sorokowski, Bogusław Pawłowski, Marcin Cieński, 2019-02-07 The power of stories to raise our concern for animals has been postulated throughout history by countless scholars activists and writers including such greats as Thomas Hardy and Leo Tolstoy This is the first book to investigate that power and explain the psychological and cultural mechanisms behind it It does so by presenting the results of an experimental project that involved thousands of participants texts representing various genres and national literatures and the cooperation of an internationally acclaimed bestselling author Combining psychological research with insights from animal studies ecocriticism and other fields in the environmental humanities the book not only provides evidence that animal stories can make us care for other species but also shows that their effects are more complex and fascinating than we have ever thought In this way the book makes a groundbreaking contribution to the study of relations between literature and the nonhuman world as well as to the study of how literature changes our minds and society As witnessed by novels like *Black Beauty* and *Uncle Tom's Cabin* a good story can move public opinion on contentious social issues In *Human Minds and Animal Stories* a team of specialists in psychology biology and literature tells how they discovered the power of narratives to shift our views about the treatment of other species Beautifully written and based on dozens of experiments with thousands of subjects this book will appeal to animal advocates researchers and general readers looking for a compelling real life detective story Hal Herzog author of *Some We Love Some We Hate Some We Eat Why It's So Hard To Think Straight About Animals*

**Porn Generation** Ben Shapiro, 2013-02-05 Shapiro captures a generation through first person reporting interviews with refugees from the porn industry conversations with psychologist educators and students and a telling cultural critique

**Incorrigibles and Innocents** Lara Saguisag, 2018-10-05 Nominated for Eisner Award Winner of the 2018 Ray and Pat Browne Award Winner of the Charles Hatfield Book Prize from the CSS Histories and criticism of comics note that comic strips published in the Progressive Era were dynamic spaces in which anxieties about race ethnicity class and gender were expressed perpetuated and alleviated The proliferation of comic strip children white and nonwhite middle class and lower class male and female suggests that childhood was a subject that fascinated and preoccupied Americans at the turn of the century Many of these strips including R F Outcault's *Hogan's Alley* and *Buster Brown* Rudolph Dirks's *The Katzenjammer Kids* and Winsor McCay's *Little Nemo in Slumberland* were headlined by child characters Yet no major study has explored the significance of these verbal visual representations of childhood *Incorrigibles and Innocents* addresses this gap in scholarship examining the ways childhood was depicted and theorized in late nineteenth and early twentieth century comic strips Drawing from and building on histories and theories of childhood comics and Progressive Era conceptualizations of citizenship and nationhood Lara Saguisag demonstrates that child characters in comic strips expressed and complicated contemporary notions of who had a right to claim membership in a modernizing expanding nation

Kunzel,1993-01-01 During the first half of the twentieth century out of wedlock pregnancy came to be seen as one of the most urgent and compelling problems of the day The effort to define its meaning fueled a struggle among three groups of women evangelical reformers who regarded unmarried mothers as fallen sisters to be saved a new generation of social workers who viewed them as problem girls to be treated and unmarried mothers themselves Drawing on previously unexamined case records from maternity homes Regina Kunzel explores how women negotiated the crisis of single pregnancy and analyzes the different ways they understood and represented unmarried motherhood Fallen Women Problem Girls is a social and cultural history of out of wedlock pregnancy in the United States from 1890 to 1945 Kunzel analyzes how evangelical women drew on a long tradition of female benevolence to create maternity homes that would redeem and reclaim unmarried mothers She shows how by the 1910s social workers struggling to achieve professional legitimacy tried to dissociate their own work from that earlier tradition replacing the reform rhetoric of sisterhood with the scientific language of professionalism By analyzing the important and unexplored transition from the conventions of nineteenth century reform

to the professional imperatives of twentieth century social welfare Kunzel offers a new interpretation of gender and professionalization Kunzel places shifting constructions of out of wedlock pregnancy within a broad history of gender sexuality class and race and argues that the contests among evangelical women social workers and unmarried mothers distilled larger generational and cross class conflicts among women in the first half of the twentieth century The Exhaustive Concordance of the Bible James Strong,1890 **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1904 **Dramatic Structure in the Contemporary American Theatre** Robert Andreach, 2020-11-21 In this follow up to his 2012 *The Contemporary American Dramatic Trilogy* Robert J Andreach continues his unique study of dramatic structure as evidenced through the overarching themes of contemporary American trilogies The themes of the first play in a trilogy he shows can be far different from those developed as the sequence continues citing examples from playwrights as varied as David Rabe and the Pulitzer Prize winning Quiara Alegria Hudes Looking at the ways structure in a tragedy can be substituted for the Aristotelian plot Andreach makes clear that because creating or reinventing oneself can be such a primary motivating force in American culture a character's failed attempt to change the structure or plot of his or her life may indeed be tragic The dramatic trilogy has been flourishing for some time now in new works and revivals of older ones by American British and European playwrights with examples such as the Hunger Games trilogy and the Fifty Shades trilogy moving more recently even into the popular sphere Combining his skills as both a professional reviewer of theater and a literary critic Robert Andreach is in a unique position to provide coherence to what most observers perceive as an unrelated welter of contemporary theatrical experiences **The Literary World** ,1882 My Mind, Their Thoughts Ishani Agarwal, Malcolm Mistry, 2019-12-05 *My Mind their Thoughts* an anthology published under True Dreamster publication is a collection of poetry quotes open letters and prose about Real life incidents that depict love tragedy and grief survival and loss It is a journey through the numerous knots that we tie in life and the ones we tangle and untangle them through personal experience It explores the realities of mental illness and suicide social taboos and violence against women pain and darkness what people face in life self love and healing in all its naked glory *My Mind their Thoughts* resonates directly with the poet's heart conveying to the readers that there is a way to break free from every struggle in life but sometimes some of these struggles are what we are made of **The Annotated Paragraph Bible** ,1859 The Apocryphal Books ,1909
