The Pages We Forget:

The Pages We Forget Anthony Lamarr, 2014-12-16 In this heartfelt emotional drama singer songwriter June is trying to find the answers to love Will she end up with the man written in so many of her songs the one who broke her heart or with the musician who brought her to fame It s been ten years since June s first love Keith walked out of her life without saying goodbye Ten years two months and sixteen days to be exact since the night he first made love to her then tiptoed out of the room while she lay in bed pretending to be asleep June s life was over after that night but she didn t stop living Instead she found a reason to live in her newborn son and a reason to love again with Alex an aspiring musician With Alex she finds fame fortune and contentment But now her enviable life as one of music s brightest and most beloved stars is about to change in a way she never expected Before her last song ends June will come face to face with the horrible truth about that night ten years ago And who will she choose the man whose touch ruined her life or the man whose unconditional love saved her

The Future of the Page Peter Stoicheff, Andrew Taylor, 2004-12-15 The most basic unit of the physical book is the page It has determined the historical evolution of the book the types of information communicated and how the audience accesses that information Unique and rewarding in both its scope and approach The Future of the Page is a collection of essays that presents the best of recent critical theory on the history and future of the page and its enormous influence on Western thought and culture Spanning the centuries between the earliest record of the page and current computerized conceptions of page like entities the essays examine the size of the page its relative dimensions materials design and display of information The page is broadly defined allowing the volume to explore topics ranging from medieval manuscripts to non European alternatives to the page Algonquin symbolic literacy and hypertext This thought provoking collection will appeal to literary scholars book historians graphic designers and those interested in the impact of evolving print technologies on intellectual and cultural life
