Whether you're searching for the next big business idea or for creative ways to express your thoughts, writing in a notebook can give your creative juices more punch. This means coming up with better ideas more quickly and easier than before. Imagine how a boost in creativity will make you feel at work, home, or at school. Your next great idea may be written at the tips of your fingers, waiting to be expressed on the pages of the Mary's Notebook. Improve Your Memory: Writing by hand with a pen or pencil has also been shown in studies to improve the strength and length of memories. Manual note-taking has an advantage over digital notes. The Association for Psychological Science proclaimed taking notes by hand is better than taking notes on a laptop. How will you take advantage of this knowledge to gain an edge on your competition at school, work, or business? How will better understanding make things better for you? Technology is designed to speed up tasks, not for user improvement. Remember, you're not taking notes to refer to later; you're writing it down to remember it now. Because you desire comprehension and understanding rather than simple transcription, the Mary's Notebook is a must. Achieve Your Goals and Organize Your Life: Write down accomplishments, your hobbies, weight loss, and other life goals. Look back, feel good about yourself, and all you've done. Besides capturing goals and dreams, capture important tasks, notes, and phone numbers. Use the Mary's Notebook to organize your life. Increase Your IQ Through Journaling: A report by the University of Victoria indicated that writing related to language has a positive correlation with intelligence. Journaling is also a way to process and manage emotions, improve self-awareness, and to develop empathy. This translates to a better understanding of others and higher levels of emotional intelligence. Evoke Mindfulness: Journaling tends to evoke a state of mindfulness in the writer. A greater state of mindfulness means a greater sense of well-being, improved physical health, and improved mental health. This correlates to relief from depression, anxiety, and stress. How will you benefit from a greater state of mindfulness you achieve from journaling in the Mary's Notebook? What Really Matters: Think about the importance of your birth certificate, marriage certificate, property deeds, or even the laws that govern our society. The stuff that really matters goes onto paper. Stop limiting yourself and start generating better ideas, more mindfulness, and greater organization now with the Mary's Notebook.
