The Mask of Dimitrios Eric Ambler, 1991-12-12

The Dustbin of History Greil Marcus, 1995 How much history can be communicated by pressure on a guitar string Robert Palmer wondered in Deep Blues Greil Marcus answers here more than we will ever know It is the history in the riff in the movie or novel or photograph in the actor s pose or critic s posturing in short the history in cultural happenstance that Marcus reveals here exposing along the

way the distortions and denials that keep us oblivious if not immune to its lessons Whether writing about the Beat Generation or Umberto Eco Picasso s Guernica or the massacre in Tiananmen Square The Manchurian Candidate or John Wayne s acting Eric Ambler s antifascist thrillers or Camille Paglia Marcus uncovers the histories embedded in our cultural moments and acts and shows how through our reading of the truths our culture tells and those it twists and conceals we situate ourselves in that history and in the world Rarely has a history lesson been so exhilarating With the startling insights and electric style that have made him our foremost writer on American music Marcus brings back to life the cultural events that have defined us and our time the social milieu in which they took place and the individuals engaged in them As he does so we see that these cultural instances as lofty as The Book of J as humble as a TV movie about Jan and Dean as fleeting as a few words spoken at the height of the Berkeley Free Speech Movement as enduring as a Paleolithic painting often have more to tell us than the master narratives so often passed off as faultless representations of the past Again and again Marcus skewers the widespread assumption that history exists only in the past that it is behind us relegated to the dustbin Here we see instead that history is very much with us being made and unmade every day and unless we recognize it our future will be as cramped and impoverished as our present sense of the past

Zachary Scott Ronald L. Davis, 2009-09-28 Throughout the 1940s Zachary Scott 1914 1965 was the model for sophisticated debonair villains in American film His best known roles include a mysterious criminal in *The Mask of Dimitrios* and the indolent husband in *Mildred Pierce* He garnered further acclaim for his portrayal of villains in *Her Kind of Man* *Danger Signal* and *South of St Louis* Although he earned critical praise for his performance as a heroic tenant farmer in Jean Renoir s *The Southerner* Scott never quite escaped typecasting In *Zachary Scott Hollywood s Sophisticated Cad* Ronald L Davis writes an appealing biography of the film star Scott grew up in privileged circumstances his father was a distinguished physician his grandfather was a pioneer cattle baron and was expected to follow his father into medical practice Instead Scott began to pursue a career in theater while studying at the University of Texas and subsequently worked his way on a ship to England to pursue acting Upon his return to America he began to look for work in New York Excelling on stage and screen throughout the 1940s Scott seemed destined for stardom By the end of 1950 however he had suffered through a turbulent divorce A rafting accident left him badly shaken and clinically depressed His frustration over his roles mounted and he began to drink heavily He remarried and spent the rest of his career concentrating on stage and television work Although Scott continued to perform occasionally in films he never reclaimed the level of stardom that he had in the mid 1940s To reconstruct Scott s life Davis uses interviews with Scott and colleagues and reviews articles and archival correspondence from the Scott papers at the University of Texas and from the Warner Brothers Archives The result is a portrait of a talented actor who was rarely allowed to show his versatility on the screen
