The Milk Chocolate Tribe

The Milk Chocolate Tribe:

The Milk Chocolate Tribe Gary Boatright, 2014-10-29 Jaelyn Harmon a beautiful mixed racial athlete was first abused by her mother's drunken boyfriend when she was five. At seventeen she was kidnapped and raped into a gang. She had no intention of being a gang member nor was she going to allow Bling her rapist to escape punishment. Jaelyn fought back. Bling was arrested, charged, and let out of jail on bail. Jaelyn had to become invisible until the trial. Jaelyn found herself living with a sheriff and his wife in a small town where she and her foster mother were the only African Americans. She and her foster family dedicated themselves to keeping Jaelyn safe from Bling's attempts to kill her and to helping Jaelyn recover from the psychological damage a lifetime of abuse had visited on her. The Milk Chocolate Tribe is a fast-paced exciting story but also an in-depth look at the psychological damage done to abused children and how a caring family can participate in their recovery.

Cassell's Natural History. The Feathered Tribes, 1859 Local Tribes Thomas Hansen Hickenbottom, 2010-06 In the fall of 1966 nineteen-year-old Marco D. Giorgio has some tough choices to make with the issuance of his Notice to Report for Active Duty draft notice from the US Army. The recent death of his father, a colorful commercial fisherman, and date rape of his girlfriend add deep angst to his already intense reality. Will he flee and run or obey his order to serve? Local Tribes is a tour de force gripping and intense drama of a young man's search for his ultimate truths in a hostile world not of his choosing. The introduction into the story by characters from the margins of society add a bizarre texture to the already twisted reality. Marco must navigate the realization and coming to grips with hidden family secrets haunt Marco up into the stories' surprising conclusion. Written with fast-paced action scenes and vivid descriptions of the Santa Cruz coastal environs, Local Tribes gathers steam like a huge wave about to break on an unknown beach of intense emotions and uncertainty.

Supermilk Inc. Michelle Ernst, 2024-01-25 Supermilk Inc. is a book representing what may become a new genre in fiction: animystic. A genre where our modern culture meets with a mystical perspective. It deals with ideas about responsibility and innovation in the technology young adults are so encompassed by today. Supermilk shows how far people may go with the right ideas and also how much trouble they may land in through no fault of their own. Peter McPhee, the protagonist, is resourceful, talented, and ambitious. He works at a paperclip factory by day and by night he dabbles in electronics. His experiments with electrical boosters on the family farm's milking equipment create milk that turns the drinker into a cartoon. He goes everywhere with this technology, founding a church and opening a film studio where he makes cartoons. Unfortunately, Peter's old Boss figures out how to use the technology himself, and soon Peter is required to answer for some of the mayhem and damage being created by maverick milk producers as well. Readers may consider how closely the book toes the line between fantasy and reality and how closely that represents life as we now know it. **The Encyclopedia**
