Last but definitely not least, what is my reason or purpose here on Earth? He believes that all of us has reason, and not only a reason, but a specific purpose. Still, the responsibility is ours to find the answer to, or the pathway to, that mystical journey wherein lies the blueprint for our purpose. Some of the things given to him while being guided by mystical hands and Divine directions: many modern-day preachers or so-called prophets would have arenas full to its capacity to hear such premonitions but would probably fail to project a positive point of view in that light when feel good and prosperity religion has become the anthem of the day, although they could very well be benefited in one way or the other if they so choose to be enlightened from that perspective. At age seventeen, he heard his name called by a mysterious voice: the Most High God from the Heaven of Heavens. It was at that time his first supernatural insight was unveiled, and that sight not only left him in awe but it went on to change the whole outlook of his life forever. His story and encounters, which seem to be in very sharp similarity to that of the Old Testament dreamers.

and prophetic forecasters may very well engrave him as their modern day version He was given specific insight of the tribulation president which is Donald Trump that he has told the world of long before now and who he will pass the baton to bring the world to a screeching halt Again this book may not tickle the fancy of everyone One may choose to agree or disagree with its contents and rightly so No apology is needed Opinions are free and to each his own but to whosoever will so let it be While one class of readers may find it less intriguing the other may just find it to be a spiritual master piece invented by Divine inspiration Marcia Rodney
