The Neon Lawyer:

The Neon Lawyer Victor Methos, 2014 With money and hope in short supply newly minted attorney Brigham Theodore decides it's time to lower his standards. He joins a seedy fly by night firm in Salt Lake City out of desperation. After he loses his first case a speeding ticket he's convinced his career is over. But to his shock his boss hands him a slightly more complex case capital murder. Brigham's new client is Amanda Pierce a lost exhausted woman who gunned down the man who tortured and killed her six year old daughter. A jury may prove sympathetic to her unbearable pain but the law is no fan of vigilante justice and neither is Vince Dale the slick and powerful prosecutor who's never lost a murder case. There's no question that Amanda pulled the trigger she did it in front of five witnesses. If she pleads guilty she will avoid a death sentence but saving her life this way comes with an admission that what she did was wrong. However if she refuses the guilty label Brigham will have no choice but to fight for his career and Amanda's life. Revised edition. This edition of *The Neon Lawyer* includes editorial revisions.

The Neon Lawyer Victor Methos, 2013-12-03 THE CASE OF A LIFETIME Brigham Theodore has just graduated law school and with a legal market saturated with lawyers accepts a position in a firm run by less than upstanding citizens. Though probably a criminal himself his boss trusts him to handle criminal cases early on. And Brigham is given a case he cannot refuse. The murder of a murderer Amanda Pierce seems meek and frail not at all like the picture Brigham has in his head of what a murderer should look like. He finds himself obsessed with her case and agrees to defend her. WITH TIME RUNNING OUT BRIGHAM MUST MAKE A CHOICE. The state has offered to spare Amanda Pierce's life if she pleads to the murder. If she chooses to fight she will be facing the death penalty. The first woman in the state of Utah to do so. Battling an experienced aggressive prosecutor with every resource at his disposal this case is a war. Brigham isn't certain he can win. But with his client's life on the line he has no choice but to fight.
