Has the Bible Been Changed? Dan Wickwire,2016-08-01 Muslims all over the world are ignoring the message of the New Testament because their teachers say its text has been corrupted Yet very few of them have checked to see whether what their teachers say is true David Byle chairman of the Bible Correspondence Course in Turkey bccturkey org What does it take to persuade an entire Islamic nation to recall and rewrite their religious education materials in order to no longer teach that the Bible has been changed Only one thing the Qur an itself The Qur an clearly states that the Bible has not been changed and even more shockingly says that anyone who teaches that the Bible has been changed is in fact doomed to hell This book *Has the Bible Been Changed* was the reason that in 1996 the Department of Religious Affairs in Turkey recalled their existing teaching materials As you explore these pages you will see exactly what the Qur an says that is so powerful that even Islamic leaders are caused to reverse course But this book is not persuasive with many words Rather it shows the reader Scripture verses and other pertinent facts that will help lead one to the ultimate Truth that there is indeed only one God and the way to Him is through His Son Jesus Christ It behooves you to read this book to know that you can put your faith and confidence in the entire Bible that it is indeed the unchangeable inerrant Word of God And we did give Moses the guidance and made the Children of Israel to inherit the Scripture A guide and a reminder for men of understanding Mu min 40 53 54

Doubting Thomas? Mark A. Beliles,Jerry Newcombe,2014-10-21 A religious historian argues that historical revisionism has distorted the religious views of Thomas Jefferson making him appear far more skeptical than he was Thomas Jefferson and the founding fathers intended a strict separation of church and state right He would have been very upset to find out about a child praying in a public school or a government building used for religious purposes correct Actually the history on this has

been very distorted The standard accepted story on the faith of Thomas Jefferson or the lack thereof is not accurate While he did harbor some doubts about orthodox Christianity by the end of his life he was actually quite active in supporting the church in America Meanwhile in his name today because of a misunderstanding about the separation of church and state a phrase that comes from an obscure letter he wrote religious expression is being curtailed all over the place in modern America And he would absolutely object to that as seen in his own actions and writings While Jefferson may seem to be the patron saint of the ACLU his words and actions showed that he would totally disagree with the idea of driving God out of the public square Doubting Thomas documents that In short it s time to set the record straight **77 FAQs About God and the Bible**
