The New Frontier And Great Society Guided Reading

JR Anderson

The New Frontier And Great Society Guided Reading:

Building the Great Society Joshua Zeitz, 2019-01-29 The author of *Lincoln's Boys* takes us inside Lyndon Johnson's White House to show how the legendary Great Society programs were actually put into practice. Team of Rivals for LBJ: The personalities behind every burst of 1960s liberal reform from civil rights and immigration reform to Medicare and Head Start. Absorbing and astoundingly well researched, all good historians do their homework, but Zeitz goes above and beyond. It's a more than worthwhile addition to the canon of books about Johnson. NPR Beautifully written, a riveting portrait of LBJ. Every officeholder in Washington would profit from reading this book. Robert Dallek, Author of *An Unfinished Life: John F. Kennedy 1917-1963* and *Franklin D. Roosevelt: A Political Life*. LBJ's towering political skills and his ambitious slate of liberal legislation are the stuff of legend: the Civil Rights Act of 1964, the Voting Rights Act of 1965, Medicare, Medicaid, Head Start, and environmental reform. But what happened after the bills passed? One man could not, and did not, go it alone. Joshua Zeitz reanimates the creative and contentious atmosphere inside Johnson's White House as a talented and energetic group of advisers made LBJ's vision a reality. They desegregated public and private institutions throughout one-third of the United States, built Medicare and Medicaid from the ground up in one year, launched federal funding for public education, provided food support for millions of poor children and adults, and launched public television and radio, all in the space of five years, even as Vietnam strained the administration's credibility and budget. Bill Moyers, Jack Valenti, Joe Califano, Harry McPherson, and the other staff members who comprised LBJ's inner circle were men as pragmatic and ambitious as Johnson, equally skilled in the art of accumulating power or throwing a sharp elbow. *Building the Great Society* is the story of how one of the most competent White House staffs in American history, serving one of the most complicated presidents ever to occupy the Oval Office, fundamentally changed everyday life for millions of citizens and forged a legacy of compassionate and interventionist government.

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students, teachers, scholars, and librarians often need help and advice on how to find what they want. *The Reader's Guide to American History* is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography. Each of the 600 entries on topics in political, social, and economic history describes and evaluates some 6 to 12 books on the topic, providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs. The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors, all scholars of American history.

The Office Professional's Guide Christine A. Lindberg, 2005 When do you address correspondents by their first names in an e-mail? How is business conducted in a particular foreign country? Now all these workplace questions and many more are answered in one convenient volume. *The Office Professional's Guide* takes you through office basics, frequently misspelled words, proper telephone, fax, and email etiquette, common filing systems, important

business and financial concepts P a guide to travel arrangements giving presentations with PowerPoint setting up meetings and much more **The Americans** McDougal-Littell Publishing Staff,2002-03-04 **The Americans** ,2003 *The ^APresidency of the United States* Richard M. Pious,2010-04-10 The Presidency of the United States is an illustrated A to Z guide to the U S Presidency including biographical sketches of each President and Vice President along with articles on presidential powers presidential history theories about the presidency presidential elections advisors and agencies and information about the daily workings of the White House The second edition is completely revised up to March 2001 with new Biographies of George W Bush and Dick Cheney and completely updated biographies of Bill Clinton and Al Gore
