Right-wing Populism in America Chip Berlet, Matthew Nemiroff Lyons, 2000-11-02 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in depth look at the historical roots and current landscape of right wing populism in the United States Illuminated is the potent combination of anti elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America

False Allegations Brent E. Turvey, John O. Savino, Aurelio Coronado Mares, 2017-07-06 False Allegations Investigative and Forensic Issues in Fraudulent Reports of Crime provides investigators and forensic examiners with a reference manual comprised of objective protocols for managing cases It helps them understand the nature and extent of false allegations to more accurately identify false allegations should they present in casework It also prepares users on how to confront and explain false allegations including instances where colleagues and supervisors may be steeped in bias denial or self interest Responding law enforcement agencies have a duty of care to investigate all reported crime to recognize and uncover false allegations and prevent them from causing harm to the innocent Failure to do so can result in miscarriages of justice When law enforcement fails in their duty of care they are also exposed to civil liability from those that have been falsely accused Presents a first of its kind forensic textbook on a subject that has been highly politicized Written by qualified investigative and forensic professionals who work cases and give expert testimony Offers applied protocols to conduct forensic investigations and evaluations including red flags Based on the most recent scientific research practice and protocols Includes extensive case examples used to augment a variety of different false report models

Those Damned Immigrants Ediberto Román, Michael A. Olivas, 2013-07-31 This data driven and massively documented study replaces rhetoric with analysis myth with fact and apocalyptic predictions with sane and realizable proposals Stanley Fish Florida International University The election of Barack Obama prompted people around the world to herald the dawning of a new postracial era in America Yet a scant one month after Obama's election Jose Oswaldo Sucuzhanay a 31 year old Ecuadorian immigrant was ambushed by a group of white men as he walked with his brother Yelling anti Latino slurs the men beat Sucuzhanay into a coma He died 5 days later The incident is one of countless attacks

that Latino immigrants have confronted for generations in America And these attacks are accepted by a substantial number of American citizens and elected officials Quick to cast all Latino immigrants as illegal opponents have placed undocumented workers at the center of their anti immigrant movement targeting them as being responsible for increasing crime rates a plummeting economy and an erosion of traditional American values and culture In *Those Damned Immigrants* Ediberto Romo takes on critics of Latino immigration using government statistics economic data historical records and social science research to provide a counter narrative to what he argues is a largely one sided public discourse on Latino immigration Ediberto Romo is Professor of Law and Director of Citizenship and Immigration Initiatives at Florida International University Michael A Olivas is the William B Bates Distinguished Chair in Law at the University of Houston Law Center and Director of the Institute for Higher Education Law and Governance at UH In the *Citizenship and Migration in the Americas* series Media and Law Mathieu Deflem, Derek M.D. Silva, 2021-04-23 For its breadth and depth of research this is an essential text for researchers and students of sociology law criminology and criminal justice Everything from traditional mass media to increasingly important social networking sites are explored to understand issues around free speech and censorship in the modern day **The Right to Protection from Incitement to Hatred** Mona Elbahtimy, 2021-10-28 Against the backdrop of the new globalized hate speech dynamics the nature and scope of States obligations pursuant to international human rights law on prohibiting incitement to hatred have taken on increased importance and have become a controversial issue within multilateral human rights diplomacy Key questions being posed in the on going debates over how best to respond to the new wave of hatred include whether the international legal norm against incitement to hatred as it currently stands is suitable to address the contemporary challenges of this phenomenon Alternatively does it need to be developed further This book traces the journey of this norm in three analytical domains its emergence relevant supranational jurisprudence and the recent standard setting attempts within the UN The book argues that five internal features of the norm had a strong influence on its difficult path within international human rights law **Personal Health: A Public Health Perspective with Navigate Advantage Access** Michele Kiely, Meredith Manze, Chris Palmedo, 2024-04-29 Written to guide students developing healthy lifestyles while helping them better understand the policy decisions that encourage health Personal Health A Public Health Perspective uniquely provides information about individual health topics including those of great interest and relevance to college aged students while presenting them in the context of community and global health Thoroughly updated to reflect current statistics research treatments and more the Second Edition also includes coverage of COVID 19 including its impact on mental health expanded coverage of the social determinants of health and health inequities new material on violence prevention including sexual assault and gun control different ways to approach healthy eating and helpful tips on incorporating exercise and much more Filled with examples from social media websites and the popular press as well as peer reviewed publications the Second Edition also is enlivened with numerous features including Try It which

Legal Challenges to the Far-Right Natalie Alkiviadou, 2019-11-22 The work considers the international and European obligations of the UK in the realm of challenging the far right and assesses the extent to which it adheres to them It looks at the role of criminal law in tackling hate speech and hate crime and assesses how English law deals with political parties which may deviate from agreed norms and principles such as non discrimination The legal analysis is placed within a contextual framework of far right parties in the United Kingdom and also incorporates a definitional framework in terms of how the law defines themes relevant to challenging the far right such as racial discrimination terrorism and extremism The book presents a valuable guide for students academics and policy makers in the areas of International Human Rights Law Criminal Law Comparative Constitutional Law National Security Law Comparative Politics and Terrorism Studies *Hate Groups and Extremist Organizations in America* Barry J. Balleck, 2019-07-08 This expansive collection of A Z entries offers a compelling look into hate groups in America Focusing on organizations in operation today this resource book for student and general audiences covers numerous hot button issues in politics and culture The Southern Poverty Law Center lists nearly 900 hate groups active in the United States today Some of these such as the KKK have deep roots in American history Others are newer formed in response to policies and shifts in our cultural landscape Often these organizations imply defense of America and political ideals in their names such as Council of Conservative Citizens and American Family Association Some such as White Aryan Resistance and Supreme White Alliance are more direct in their associations Nearly all posit an erosion of rights and values a way of life that is becoming lost to immigrants a diffusion or integration of population and government overstep Many of these groups preach a necessity for violence through either outright or thinly veiled language Membership in these organizations poses another topic for investigation as their ranks are not just anti government or pro gun rights types who seek to defend the Constitution Many are simply citizens who see their ideal for America as under threat by various groups whether ethnic racial or religious This unique reference will allow readers to explore the underlying issues central to understanding them How do these hate groups get started and why do people join *The Wuhan Cover-Up* Robert F. Kennedy Jr., 2023-12-06 RFK Jr exposes the decades of lies Luc Montagnier Nobel laureate From the New York Times Wall Street Journal USA Today and Publishers Weekly bestselling author of The Real Anthony Fauci comes an explosive exposé of

the cover up behind the true origins of COVID 19 Gain of function experiments are often conducted to deliberately develop highly virulent easily transmissible pathogens for the stated purpose of developing preemptive vaccines for animal viruses before they jump to humans More insidious is the dual use nature of this research specifically directed toward bioweapons development The Wuhan Cover Up pulls back the curtain on how the US government's increase in biosecurity spending after the 2001 terror attacks set in motion a plan to transform the National Institute of Allergy and Infectious Diseases NIAID under the direction of Dr Anthony Fauci into a de facto Defense Department agency While Dr Fauci zealously funded and pursued gain of function research concern grew among some scientists and government officials about the potential for accidental or deliberate release of weaponized viruses from labs that might trigger worldwide pandemics A moratorium was placed on this research but true to form Dr Fauci found ways to continue unperturbed outsourcing some of the most controversial experiments offshore to China and providing federal funding to Wuhan Institute of Virology's WIV's leading researchers for gain of function studies in partnership with the Chinese military and the Chinese Communist Party Robert F Kennedy Jr's meticulously researched and rigorously sourced analysis leads readers on a staggering journey to learn about the key enablers and henchmen pushing for gain of function research the economic motives behind gain of function research successfully engineered chimeric viruses that can infect and kill humans the coordinated effort to silence speculation of COVID 19's laboratory genesis the complicity of scientific journals to hide the origins of COVID 19 the role of the Wuhan Institute of Virology in China's biowarfare biodefense program the relationships between US health military and intelligence bureaucracies and scientists and their Chinese counterparts the roles of Bill Gates and Sir Jeremy Farrar in orchestrating a global cover up The Wuhan Cover Up unveils a global conspiracy of epic proportion and lethal consequence **The**

Transmedia Construction of the Black Panther Bryan J. Carr, 2022-04-25 In The Transmedia Construction of the Black Panther Long Live the King Bryan J Carr explores and analyzes the evolution of the Black Panther character since his inception in the 1960s across comics film television video games and music The Black Panther Carr argues is the sum of the creative works of countless individuals across various media that have each contributed to the legacy of the first mainstream Black superhero all happening against a backdrop of social and cultural upheaval global political struggle for equality and the long shadow of colonizing Western attitudes The Panther's existence is a complex one that not only illustrates in microcosm those same struggles in the historically white superhero space but also offers a perfect case study for media trends of representation then and now Carr addresses a number of questions Does the Black Panther really represent a powerful counter narrative to long standing regressive attitudes toward Black identity and Africa Who were the key contributors to our understanding of the character And finally how can we use the character to understand the complexities of our modern consolidated media systems Scholars of media studies film and television studies comics studies cultural studies critical race studies and African studies will find this book particularly useful **Hate Speech** Samuel

The Routledge History of Antisemitism Mark Weitzman,Robert J. Williams,James Wald,2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding and as concern over antisemitism has grown so too have the debates over how to understand and combat it This handbook explores its history and manifestations ranging from its origins to the internet Since the Holocaust many in North America and Europe have viewed antisemitism as a historical issue with little current importance However recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews Antisemitism has become a major issue confronting and challenging our world This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective covering a broad scope of experiences across different countries and regions The final section discusses the manifestations of antisemitism in its varied cultural and social forms With an international range of contributions across 40 chapters this is an essential volume for all readers of Jewish and non Jewish history alike
