New Kid Jerry Craft, 2019 Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life But instead of sending him to the art school of his dreams his parents enroll him in a prestigious private school known for its academics where Jordan is one of the few kids of color in his entire grade As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School Jordan soon finds himself torn between two worlds and not really fitting into either one Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself Provided by publisher

New Kids in the World Cup Adam Elder, 2022-11 In 1990 though no one knew it then a fearless group of players changed the sport of soccer in the United States forever Young bronzed and mulleted they were America's finest athletes in a sport that America loved to hate Even sportswriters rooted against them Yet this team defied massive odds and qualified for the World Cup making possible America's current obsession with the world's most popular game In this era a U.S. Soccer Federation head coach had a better paying day job as a black tie restaurant waiter Players earned 20 a day The crowd at home games cheered for their opponent and the fields were even mismarked In Latin America the U.S. team bus had a machine gun turret mounted on the back locals would sabotage their hotel and in the stadiums spectators would rain coins batteries and plastic bags of urine down on the American players The world considered the U.S. team to be total imposters the Milli Vanilli of soccer Yet on the biggest stage of all in the 1990 World Cup this undaunted American squad and their wise coach earned the adoration of Italy's star players and their fans in a gladiator like match in Rome's deafening Stadio Olimpico From windswept soccer fields in the U.S. heartland to the CIA infested cauldron of Central America and the Caribbean behind the recently toppled Iron Curtain and into the great European soccer cathedrals New Kids in the World Cup is the origin story of modern American soccer in a time when power ballads were inescapable and mainstream America was discovering hip hop It's the true adventure of America's most important soccer team which made possible everything that's come since including America finally falling in love with soccer For more information about the book visit [newkidsintheworldcup.com](http://newkidsintheworldcup.com)
