of Odysseus's familiar wanderings as lessons that everyone can use. We see how to resist the seduction of the Sirens song to stop sailing and give up how to bide our time in a situation and wait for the right opportunity as Odysseus does when faced with the murderous one-eyed Cyclops and how to reassess our story and rediscover our purpose and identity if like the Lotus Eaters we have forgotten the past. With meditations that yield personal revelations illuminating anecdotes from Fischer's and his students' lives and stories from many wisdom traditions, *Sailing Home* shows the way to greater purpose in your own life. You will learn a new way to view your path when to wait and when to act when to speak your mind and when to exercise discretion how to draw on your innate strength and distinguish between truth and deception and how to deal with aging and changing relationships. *Sailing Home* provides the courage you need for your journey to renew bonds with your loved ones and to make the latter portion of life a heartfelt time of spirit and love so that just as Odysseus does you can defeat the forces of entropy and death.
