The One that Got Away Howell Raines, 2006-05-16 Lost fish writes Howell Raines chasten us to the knowledge that we are all in each and every moment dwindling. Imagine my surprise when I discovered well into my sixth decade that losing fish can prepare us for a blessing as well as for pain. Confronting loss of an elusive fish or something larger is at the heart of *The One That Got Away* the graceful sequel to Raines's much loved bestselling memoir *Fly Fishing Through the Midlife Crisis* published to great acclaim in 1993. With the same winning combination of reminiscences anecdotes philosophy and fishing lore his bold new memoir covers the eventful years in this latest passage of his life and the realization that in relinquishing his former identity as a newspaperman he has actually gotten what he wanted just in the most unlikely way. In wry and witty prose Raines shifts between fishing vignettes and personal reflections on his childhood his second marriage his relationships with his two sons the trajectory of his career at The New York Times and his move toward old age. At the center of his narrative is his most thrilling fishing adventure an epic battle with a marlin he hooked and fought for more than seven hours in the South Pacific which comes to symbolize his growing understanding and acceptance of the unpredictability of luck love lies and life and how the unexpected can in fact be an opportunity to make life more interesting. Raines's wonderful
