## **The Oxford Handbook Of American Islam Oxford Handbooks:**

*The Oxford Handbook of American Islam* Yvonne Y. Haddad, Jane I. Smith, 2014-11-03 Islam has been part of the increasingly complex American religious scene for well over a century and was brought into more dramatic focus by the attacks of September 11 2001 American Islam is practiced by a unique blend of immigrants and American born Muslims The immigrants have come from all corners of the world they include rich and poor well educated and illiterate those from upper and lower classes as well as economic and political refugees The community's diversity has been enhanced by the conversion of African Americans Latinos and others making it the most heterogeneous Muslim community in the world With an up to the minute analysis by thirty of the top scholars in the field this handbook covers the growth of Islam in America from the earliest Muslims to set foot on American soil to the current wave of Islamophobia Topics covered include the development of African American Islam pre and post WWII immigrants Sunni Shi'ite sectarian and Sufi movements in America the role and status of women marriage and family and the Americanization of Islamic culture Throughout these chapters the contributors explore the meaning of religious identity in the context of race ethnicity gender and politics both within the American Islamic community and in relation to international Islam

*The Oxford Handbook of African American Islam* Aminah Beverly McCloud, This handbook is currently in development with individual articles publishing online in advance of print publication At this time we cannot add information about unpublished articles in this handbook however the table of contents will continue to grow as additional articles pass through the review process and are added to the site Please note that the online publication date for this handbook is the date that the first article in the title was published online
