**Katherine Mansfield and Periodical Culture** Mourant Chris Mourant, 2019-04-10 Explores Katherine Mansfield's engagement in the periodical culture of the early twentieth century. This book considers Mansfield's ambivalent position as a colonial woman writer by examining her contributions to the political weekly *The New Age*, the avant garde little magazine *Rhythm*, and the literary journal *The Athenaeum*. Contextualising Mansfield's work against the editorial strategies and professional cultures of each periodical, the book deepens and complicates older critical assumptions about the trajectory of Mansfield's development as a writer. Key Features: Provides the first sustained scholarly examination of Mansfield's engagement with and relation to early twentieth-century periodical culture. Foregrounds the original material contexts in which Mansfield produced the majority of her work, emphasising a dialogic or conversational model for modernism. Interrogates Mansfield's ambivalent self-positioning within English literary circles as a colonial metropolitan modernist and outsider. Integrates ideas of the recent transnational turn across literary studies into the field of periodical scholarship.

**Hemingway and Pound** John Cohassey, 2014-07-09. Unique individuals of fiery temperament, Ernest Hemingway and Ezra Pound made an odd pair on the streets of 1920s Paris. If the elder, cane-carrying Pound appeared the out-of-date poet, Hemingway was the epitome of his generation's Flaming Youth. Meeting on the high ground of art, these two literary giants formed a friendship that survived until Hemingway's death. During their short time together in Paris, Pound edited Hemingway's early work. Over decades, Hemingway considered Pound a major poet and read *The Cantos* as they appeared in

little magazines and published volumes Eventually living in countries half a world apart Hemingway and Pound maintained a lively and sometimes contentious correspondence When Pound was incarcerated in America for his World War II broadcasts over Radio Rome Hemingway played a vital role in freeing his old poet friend the man who edited his early work the good game guy whose wit and brilliance he never forgot This narrative of a friendship lays bare the triumphs and tragedies of two giants of modern literature

*British Short Fiction in the Early Nineteenth Century* Tim Killick, 2016-05-23 In spite of the importance of the idea of the tale within Romantic era literature short fiction of the period has received little attention from critics Contextualizing British short fiction within the broader framework of early nineteenth century print culture Tim Killick argues that authors and publishers sought to present short fiction in book length volumes as a way of competing with the novel as a legitimate and prestigious genre Beginning with an overview of the development of short fiction through the late eighteenth century and analysis of the publishing conditions for the genre including its appearance in magazines and annuals Killick shows how Washington Irving's hugely popular collections set the stage for British writers Subsequent chapters consider the stories and sketches of writers as diverse as Mary Russell Mitford and James Hogg as well as didactic short fiction by authors such as Hannah More Maria Edgeworth and Amelia Opie His book makes a convincing case for the evolution of short fiction into a self conscious intentionally modern form with its own techniques and imperatives separate from those of the novel
