The Paper Chase Book:

The Paper Chase John Jay Osborn, 1971 The story centers on Hart a brilliant young law student from the U S Midwest who attends Harvard Law School and becomes obsessed with one of his teachers Professor Charles W Kingsfield Jr Hart becomes an expert on Kingsfield s subject Contracts he reads everything about the subject including all of Kingsfield s papers most of which are not on the reading list He goes so far as to break into the law library to read Kingsfield s original law school notes Hart becomes such an expert that Kingsfield asks him to contribute to a paper At the same time he begins a relationship with a woman named Susan Field who turns out to be Kingsfield s daughter Susan stands aloof from the law school rat race and is able to dismiss all the things Hart cares about the most At the end of the term Professor Kingsfield really means something in his students lives but he still doesn t know their names For him the class is only a group of people simply names on a paper He doesn t even recognize the protagonist Mr Hart after several encounters and classroom debates It is probable that he only pretends not to recognize Mr Hart perhaps to make the point that it is not the relationships that one forms in law school but rather the knowledge one attains which are critical Mr Hart after all is very likely to stand out in Kingsfield s mind after an incident where Kingsfield asks Hart to leave the class and Hart says in front of the lecture hall You are a son of a bitch Kingsfield After much effort preparing for the final exam Hart s grade is delivered to him but he simply makes a paper airplane out of his final report card and sends it sailing into the Atlantic Ocean without looking at it **The Paper Chase** ,2000 **The Paper Chase** Julian Symons,2014-07-01 Crime writer Charles Applegate decided to set his second novel in a school Taking a job at one to see was it like from the inside Applegate found he was expected to do more than just people watch And when a murder took place his skills as a detective writer were called upon as well But real life crime was to prove very different *The Paper Chase* Hal Porter,2003 *The Paper Chase* Joseph Robinette,John Jay Osborn,1981 **The Paper Chase** Dianne Stewart,1991 Quick a newspaper shouted a driver Jacob ran to th ecar hodling out the Morning News Suddenly newspapers were blowiong everywhere What was Jacob to do **The Paper Chase** Philip Wik,2019-01-31 The title of this book is an homage to The Paper Chase the 1970 novel by John Jay Osborn Jr It was later adapted into a movie and television series of the same name John Houseman won an Academy Award a Golden Globe Award and other awards in his portrayal of the irascible Professor Charles Kingsfield a professor of contract law at Harvard University The Paper Chase portrays James T Hart an anxious first year law school student from the Midwest who along with other brilliant students is determined to chase paper a grade and all that it means for his sense of worth and his future But the process of learning how to think like a lawyer the movie suggests is largely a process of subtraction As Susan Fields Kingsfield s daughter and Hart s girlfriend says They finally got you Hart they sucked all that Midwestern charm right out of you Look he s got you scared to death You re going to pass because you re the kind the law school wants You ll get your little diploma Your piece of paper that s no different that this toilet paper roll and you can stick it in your silver box with all the
