*The Messiah Code* Bob Mitchell, 2014-11-19 Did God encode the identity of the Messiah within the names and events recorded in the Old Testament Did he also bypass the understanding of the Old Testament authors and place the identity of the Messiah within the ancient Hebrew Pictographs in such a way that the message could only be accomplished by a Divine hand This book reveals God as the author of the Old Testament with stunning evidence that only the most die hard sceptic will deny

*The Messiah Code* C. Thornton Chick, 2023-05-04 What if there was an embedded Code in every chapter and verse of the Bible that is Empirical Proof the Bible is of Supernatural origin The Messiah Code doesn't just make that assertion it empirically proves it to be true After surviving three bouts with cancer and a supernatural rescue from drowning I always wondered what God had saved me for I prayed about it for over thirty years then just before my eighty fourth birthday the Lord Yeshua Jesus revealed to me that all numbers including chapter and verse in the Bible are personally signed by HIM with a supernatural mathematical algorithm that was hidden in plain sight True believers accept that all 785 000 words of the Bible are the Holy Spirit inspired Word of God by faith Unfortunately an unbeliever always wants proof Now they can have it The Lord Yeshua Jesus revealed to me the cypher to the mathematical code and anyone layman scholar or skeptic can discover for themselves the author of the Bible is Messiah Yeshua Jesus If after disclosing the Messiah Code to your unbelieving friends and letting them test the empirical proof themselves and they are still not 100% convinced the Bible is of supernatural origin then with all due respect they probably don't believe in gravity They are lost but God is in the lost and found business I am a layman not a Bible scholar I was a professional inventor for over forty years learning you cannot defy the laws of mathematics Millions of patents are searched every year to determine If an idea is new or novel and 99% of all patent applications are dismissed because it is obvious the idea already exists What is proven in the Messiah Code is obvious that imbedded in numbers of chapter and verse is the signature of our Lord Yeshua Jesus

**The Messiah Code** Lazarus Lamel, 2025-05-11 Qhum and Salutations to the Primes The Messiah Code is more than a book it's a system of remembrance Inside these pages are layers of hidden architecture 31 spiritual positions that map the human body like a divine operating system a Codex that unlocks access to ancient memory and a blueprint for breaking out of the mental matrix we've all been placed inside This book reveals what many have missed why 361 degrees completes the circle how the IPv4 protocol is symbolic of consciousness limits and why numbers like 13 31 144 and 256 appear as signatures throughout spiritual history science and sacred sites You'll learn how the four fold mind Shel Mel Cal and Cel operates like a sacred algorithm and how every part of your being is already wired to run the Messiah Operating System once you align thought will observation and reflection The Messiah Code doesn't ask for belief It calls you to awareness It teaches spiritual discipline through technological insight and it brings together science scripture ancient symbolism and conscious design into one continuous scroll This is for those who feel the call to embody not follow the divine

pattern If you've always known there was more this is the system you've been waiting to remember      **The Messiah Code** C. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book

features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics
