Hunter, 1984 **The Mind of Jesus** John Ross Macduff, 1855 **The mind of Jesus** John Macduff, 2018-05-16 Let this mind be in you which was also in Christ Jesus Philippians 2:5 Arm yourselves likewise with the same mind 1 Peter 4:1 What a study is this To attain a dim reflection of it is the ambition of angel higher they cannot soar To be conformed to the image of His Son this is the design of God in the predestination of His people from all eternity We shall be like Him this is the Bible picture of heaven In a former little volume we pondered some of the gracious Words which proceeded out of the mouth of Jesus In the present we have a few faint lineaments of that holy Character which constituted the living expositor and embodiment of His precepts But how lofty such a standard How all creature perfection shrinks abashed and confounded before a Divine portraiture like this He is the true Angel standing in the sun who alone projects no shadow so bathed in the glories of Deity that likeness to Him becomes like the light in which He is shrouded no man can approach unto it May we not however seek at least to approximate though we cannot adequately and fully resemble It is impossible on earth to associate with a fellow being without getting in some degree assimilated to him Just so the more we study the Mind of Christ the more we are in His company holding converse with Him as our best and dearest friend catching up His holy looks and holy deeds the more shall we be transformed into the same image Consider says the Great Apostle literally gaze on Christ Jesus Hebrews 3:1 Study feature by feature lineament by lineament of that Peerless Exemplar Gaze on the Sun of Righteousness until like gazing long on the natural sun you carry away with you on your spiritual vision dazzling images of His brightness

and glory Though He is the Archetype of all goodness remember He is no shadowy model though the Infinite Jehovah He was the Man Christ Jesus We must never indeed forget that it is not the mind but the work of Emmanuel which lies at the foundation of a sinner's hope He must be known as a Savior before He is studied as an Example His doing and dying is the center jewel of which all the virtues of His holy life are merely the setting But neither must we overlook the Scripture obligation to walk in His footsteps and imbibe His Spirit for if any man has not the Spirit of Christ he is none of His Oh that each individual Christian were more Savior like that in the manifestation of a holy character and heavenly demeanor it might be said in some feeble measure of the faint and imperfect reflection Such was Jesus How far short we are of such a criterion our mournful experience can testify But it is at least comforting to know that there is a day coming when in the full vision and fruition of the Glorious Original the exhortation of our motto verse will be needed no more when we shall be able to say in the words of an inspired apostle We have the MIND OF CHRIST     The Mind of Jesus Christ. By the Author of "Morning and Night Watches" [J. R. Macduff]. John Ross Macduff, 1855     **The Mind of Jesus** William Barclay, 2012-03 IN THIS book William Barclay interprets the Gospels with as much psychological insight as is possible The historical background is described so as to illuminate the whole story and both the words and the works of Jesus are presented with a fresh comprehensiveness always bearing in mind the questions which modern readers ask The story takes us step by step from the first Passover in the Temple to the Transfiguration A Lecturer in New Testament in the University of Glasgow Dr Barclay is probably the most popular expositor of the Bible now writing in Britain As one reviewer has commented he brings to his task the experience of the tried preacher as well as the learning of the scholar For years Dr Barclay has cherished the ambition to write this life of Jesus     **The Mind of Jesus by John R. Macduff** John R. Macduff, 2025-03-22 The Mind of Jesus by John R Macduff is an inspiring exploration of the thoughts and spiritual insights of Jesus Christ presented through the lens of a deeply reflective Christian perspective Written in the 19th century this work combines theological reflection with practical application encouraging readers to deepen their understanding of both the person of Jesus and the teachings He imparted during His earthly ministry Macduff's contemplative style invites readers into an intimate encounter with the mindset of Christ offering insights that resonate with believers and seekers alike In The Mind of Jesus Macduff seeks to uncover the inner workings of Jesus thoughts and emotions exploring how His divine nature intersected with human experiences The author meticulously examines various aspects of Jesus character His compassion love humility patience and wisdom drawing upon biblical passages and narratives to illustrate the life and teachings of Christ Macduff's profound reflections encourage readers to embody these qualities in their own lives inspiring them to reflect the mind of Christ in their everyday interactions The book is divided into several segments each focusing on a particular theme or aspect of Jesus teachings Macduff begins by addressing the compassion that Jesus displayed towards humanity He emphasizes how Christ's heart was always inclined towards the suffering and marginalized highlighting the moments when Jesus healed the sick comforted the grieving and

embraced those deemed outcasts By showcasing these instances Macduff illustrates the importance of compassion in the life of a Christian urging readers to cultivate a similar sense of empathy and understanding in their own lives Another significant theme that Macduff explores is the humility of Jesus Throughout His life Jesus exemplified selflessness and servanthood often defying societal expectations of power and authority Macduff reflects on occasions such as Jesus washing the feet of His disciples illustrating how true greatness in the kingdom of God is characterized by humility and service These reflections encourage readers to shift their perspectives on greatness and to seek opportunities to serve others following the example set by Christ Macduff also delves into the prayer life of Jesus portraying Him as a model of spiritual devotion He vividly describes how Jesus often withdrew to solitary places to pray emphasizing the importance of communion with God in spiritual growth Macduff challenges readers to prioritize their own prayer lives inviting them to cultivate a deeper relationship with God through persistent prayer and reflection The author's insights into Jesus' relationship with the Father offer profound encouragement for believers seeking a more intimate and vibrant faith experience The theme of wisdom is also prominent in Macduff's reflections He points to the ways in which Jesus taught with authority using parables and profound insights to convey spiritual truths Macduff emphasizes that the wisdom of Jesus transcends mere intellectual knowledge it is a wisdom rooted in understanding the heart of God By urging readers to seek wisdom in their own lives Macduff emphasizes that a Christ-centered approach to life involves aligning one's thoughts and decisions with the teachings of Jesus The Mind of Jesus is not merely an academic exploration it serves as a practical guide for living out the Christian faith Macduff evokes heartfelt reflection and personal application throughout the text encouraging readers to examine their thoughts attitudes and actions in light of who Jesus is Each chapter ends with contemplative questions or prompts that guide readers in reflecting on their lives and spiritual journeys fostering a deeper connection with Christ's mindset Macduff's eloquent prose and thoughtful insights are characterized by a tender pastoral quality He writes not just as a theologian but as a shepherd guiding readers toward a richer understanding of their faith His language is accessible filled with warmth and encouragement making the work suitable for a broad audience whether seasoned believers or those exploring their faith for the first time Moreover the timeless relevance of The Mind of Jesus ensures its place in modern Christian literature Its emphasis on compassion humility prayer and wisdom resonates deeply in today's world where many seek authentic expressions of faith amidst societal challenges Macduff's work compels readers to reflect on their own lives and consider how they might embody the character of Christ in a world that often lacks these virtues In conclusion John R Macduff's The Mind of Jesus offers a profound exploration of the thoughts and character of Jesus Christ Through careful reflection on biblical accounts and Jesus' teachings Macduff invites readers to adopt the mindset of Christ in their lives His emphasis on compassion humility prayer and wisdom serves as a timeless call to embody these qualities as believers This work stands as a valuable resource for anyone seeking to deepen their spiritual journey and understand the transformative power of reflecting

the mind of Christ in daily living Through Macduff's eloquent musings readers are inspired to draw closer to Jesus and allow His mind to shape their own The Mind of Jesus. By the Author Of Morning and Night Watches'[i.e. J. R. Macduff]. ,1855

*Developing and Building the Mind and Heart of Christ Jesus* Dr. David Garty,2021-04-01 The book is a heart desire to help individual believers to grow and mature in their personal walk with the Lord Jesus Christ As they would become to understand that they are already the sons and daughters of God through their personal relationship with Jesus Christ That the Christian walk is not about doing but about being And when we as believers start being the true sons and daughters of God the natural flow of doing happens It's all about who I am in Christ Jesus and practicing my true identity in Him each and every day that will allow heavens realities to manifest here on earth **The Mind of Christ** Sylvester Veal Jr.,2013-10-25 Everywhere you go you hear man's ideology about what God Jesus is saying But little do they know God Jesus and the Holy Spirit is saying something completely different What makes matters worse is that many people are following bad tainted information because they have not sought God for discernment nor studied His Word i.e the Bible for the truth In order to put an end to man's ideology we quickly dive into the Gospel of Matthew and go straight to the source Jesus to see what was exactly said about certain life topics Sylvester Veal Jr *The Mind Of Jesus* John R Macduff,John R. Macduff,2023-10-18 Today What would Jesus do is a question commonly posed by and among Christian believers In this classic work of theology author John R Macduff poses a fascinating variation on this question what and how did Jesus think This volume is indispensable for anyone interested in delving deeper into Christian epistemology Let this mind be in you which was also in Christ Jesus Philippians 2:5 Arm yourselves likewise with the same mind 1 Peter 4:1 THE MIND OF JESUS What a study is this To attain a dim reflection of it is the ambition of angels higher they cannot soar To be conformed to the image of His Son this is the design of God in the predestination of His people from all eternity We shall be like Him this is the Bible picture of heaven In a former little volume we pondered some of the gracious Words which proceeded out of the mouth of Jesus In the present we have a few faint lineaments of that holy Character which constituted the living expositor and embodiment of His precepts But how lofty such a standard How all creature perfection shrinks abashed and confounded before a Divine portraiture like this He is the true Angel standing in the sun who alone projects no shadow so bathed in the glories of Deity that likeness to Him becomes like the light in which He is shrouded no man can approach unto it May we not however seek at least to approximate though we cannot adequately and fully resemble It is impossible on earth to associate with a fellow being without getting in some degree assimilated to him Just so the more we study the Mind of Christ the more we are in His company holding converse with Him as our best and dearest friend catching up His holy looks and holy deeds the more shall we be transformed into the same image The Mind of Jesus John R. Macduff,2015-06-26 Excerpt from The Mind of Jesus The mind of Jesus What a study is this To attain a dim reflection of it is the ambition of angels higher they can not soar To be conformed to the image of His Son it is the end of God in the predestination of His Church from all eternity We shall be like

Him it is the Bible picture of heaven In a former little volume we pondered some of the gracious Words which proceeded out of the mouth of Jesus In the present we have a few faint lineaments of that holy Character which constituted the living exposition and embodiment of His precepts But how lofty such a standard How all creature perfection shrinks abashed and confounded before a Divine portraiture like this He is the true Angel standing in the sun who alone projects no shadow so bathed in the glories of Deity that likeness to Him becomes like the light in which He is shrouded no man can approach unto it May we not however seek at least to approximate though we can not adequately resemble It is impossible on earth to associate with a fellow being without getting in some degree assimilated to him So the more we study the Mind of Christ the more we are in His company holding converse with Him as our best and dearest friend catching up his holy looks and holy deeds the more shall we be transformed into the same image About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
