Unseen War Bob White,2022-08-01 In the beginning God created the heavens and the Earth is familiar to most as the first verse in the Bible It describes the beginning of God s creation It could be argued that first He created the angels and other beings that inhabited the third heaven with Him But there is no argument among theologians that the angelic host was indeed created The author sets forth the firstborn of that creation as Helel ben Shachar which translates as Shining One son of the dawn or son of the Light It is here between the Light Jesus and Helel ben Shachar ultimately Lucifer that the conflict of conflicts arises It is some of the particulars thereof wherein the author believes that some of the mysteries of the universe and thus the Bible can be found In the Unseen War the author digs in depth into the questions of what has caused the constant war strife and destruction on the planet Earth and throughout the solar system and Galaxy Why is there such a dichotomy between the things that science bears witness to and what the Bible bears witness to Could there be some mistranslation on both sides As an engineer he takes a scientific view of the planet solar system and the universe and puts great stock in scientific discovery But as a Christian he believes that the Bible is not only factual but inherently and infallibly factual The Unseen War as discussed in

Return of the Stargods Richard Vizzutti,2003 Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism The book also takes the reader through the Bible showing a vast amount of scriptures that the churches ignore or will not deal with Scriptures reveal that there is a fifth column that lives among us that are working against God s children in establishing a New World Order as an ultimate goal They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule But this will not take place until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a shadow government There are strong indications in scripture that there is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read
