

The Norse Myths

Here are 32 classic myths that bring the pre-Christian Scandinavian world vividly to life. Gods, humans, and monstrous beasts engage in prodigious drinking bouts, contests of strength, greedy schemes for gold, and lusty encounters. Included are tales of Odin, the wisest and most fearsome of the gods; Thor, the thundering powerhouse; and the exquisite magic-wielding Freyja. Their stories bear witness to the courage, passion, and boundless spirit that were hallmarks of the Norse world.
