hats which strangled the fur trade later forced him to a less adventuresome life in St Louis as a gentleman farmer businessman and politician Not only did Sublette help develop the rendezvous system in the fur trade and blaze the first wagon trail through South pass but also he established what was later Fort Laramie was a participant in laying the foundation for present Kansas City and left a large fortune to excite envy and exaggeration One of the most successful fur merchants of the West he also helped to break John Jacob Astor s monopoly of the trade *Report of Phase I Cultural Resource Survey of Gravois Creek Drainage Basin, St. Louis County, Missouri* ,1982 **The Leader** ,1855 *Report of Phase I Cultural Resource Survey of Gravois Creek Drainage Basin, St. Louis County, Missouri* Joseph M. Nixon,1982 *The Manly Art* Elliott J. Gorn,2012-05-02 It didn t occur to me until fairly late in the work that I was writing a book about the beginnings of a national celebrity culture By 1860 a few boxers had become heroes to working class men and big fights drew considerable newspaper coverage most of it quite negative since the whole enterprise was illegal But a generation later toward the end of the century the great John L Sullivan of Boston had become the nation s first true sports celebrity an American icon The likes of poet Vachel Lindsay and novelist Theodore Dreiser lionized him Dreiser called him a sort of prize fighting J P Morgan and Ernest Thompson Seton founder of the Boy Scouts noted approvingly that he never met a lad who would not rather be Sullivan than Leo Tolstoy from the Afterword to the Updated Edition Elliott J Gorn s *The Manly Art* tells the story of boxing s origins and the sport s place in American culture When first published in 1986 the book helped shape the ways historians write about American sport and culture expanding scholarly boundaries by exploring masculinity as an historical subject and by suggesting that social categories like gender class and ethnicity can be understood only in relation to each other This updated edition of Gorn s highly influential history of the early prize rings features a new afterword the author s meditation on the ways in which studies of sport gender and popular culture have changed in the quarter century since the book was first published An up to date bibliography ensures that *The Manly Art* will remain a vital resource for a new generation **Bill Sublette: to 25; Pages:26 to 50; Pages:51 to 75; Pages:76 to 100; Pages:101 to 125; Pages:126 to 150; Pages:151 to 175; Pages:176 to 200; Pages:201 to 225; Pages:226 to 250; Pages:251 to 275; Pages:276 to 300; Pages:301 to 305** John E.
