Deleuze and Religion Mary Bryden, 2002-01-04 Despite the ever expanding body of Deleuzian scholarship single volume has explored the religious dimensions of Delueze s writing Now Mary Bryden has assembled a team of international scholars to do just that Their essays illustrate the ways in which Deleuzian thought is antithetical to religious debate as well as the ways in which it contributes to those debates This volume will be invaluable for researchers teachers and students of theology philosophy critical theory cultural studies and literary criticism as well as to students of French who read Deleuze s work in its original language [A new translation of some part of Swedenborg's theological works \[by G. Whitney, 2006-03-21 Besides his illustrious name the Union general Jefferson Columbus Davis is best known for two appalling actions the September 1862 murder of General William Bull Nelson his former commanding officer and the abandonment of hundreds of African American refugees to the mercy of Confederate cavalry at Ebenezer Creek during Sherman s march through Georgia in 1864 Historians have generally dismissed Davis 1828 1879 as a reckless assassin a racist a journeyman soldier at best and an embarrassment to the Lincoln war effort But Nathaniel Cheairs Hughes Jr and Gordon D Whitney shatter the collective memory of Jef Davis as a grim destructive child of war and replace it with a more rounded portrait of a complex military leader They bring order to the muddle of contradictions that was Davis s life and offer an impartial profile of the soldier and the man who must be remembered for his splendid contributions as well as his startling failures **Education of a Felon** Edward Bunker, 2000-03-09 A masterful summation of the hard and brutal life of crime and prison from America s foremost chronicler of prison life Los Angeles Times In *Education of a Felon* the reigning champion of prison novelists finally tells his own story The son of an alcoholic stagehand father and a Busby Berkeley chorus girl Bunker was at seventeen the youngest inmate ever in San Quentin His hard won experiences on L A s meanest streets and in and out of prison gave him the

material to write some of the grittiest and most affecting novels of our time From smoking a joint in the gas chamber to leaving fingerprints on a knife connected to a serial killer from Hollywood s steamy underside to swimming in the Neptune pool at San Simeon Bunker delivers a memoir as colorful as any of his novels and as compelling as the life he s lead Bunker writes in straight ahead unadorned prose and refreshingly he refrains from excessive psychologizing and sentimentalizing a rough hewn memoir by a rough hewn man The New York Times Book Review In this picaresque harrowing humorous yet deeply sad excursion through his dark starred youth Bunker arguably the most renowned convict writer in America serves as both participant in and witness to the mid century carnival of L A crime immortalized by James Ellroy a thought provoking and richly re created tale of a career criminal Publishers Weekly
