once more to the Leeches of Old London Tensions are flaring across the city while Yannia and Karrion delve deeper into the lives of those seeking to survive in a world that would see them exterminated But as they investigate the shadows of a conspiracy the vengeful Fey is one step ahead of them at every turn     Homesick, Lovesick Megan Derr, Ronan has a question to ask Match but actually working up the nerve to ask it is proving harder than anticipated He just needs the perfect moment that s all Ever since the week their town was attacked by a trio of Jack Frosts everything changed Match has always been the best witch around but now the rest of the world finally sees that and they are competing fiercely for his attention Especially as Match is still at odds with people he once called friends Ronan has seen the offers that Match claims to ignore and not care about He hears the phone calls he sees the looks of awe and wonder and more that people give him He sees what Match does with his incredible hard won skills And he starts to fear that maybe he and the town of Harper Valley are only holding Match back and the question he so desperately wants to ask might be better left unspoken     **Paladin's Trial**
