The Quest Of The Historical Jesus:

The Quest of the Historical Jesus Albert Schweitzer, 2015-02-24 Renowned scholar and author Albert Schweitzer's world-changing study of the true life and teachings of Jesus of Nazareth. The Christian religious tradition has shaped much of our world for two millennia. But separate from the practice of Christianity is the factual life of Jesus himself. In this groundbreaking study, philosopher and Nobel Peace Prize winner Albert Schweitzer delves into biblical text and historical evidence to deconstruct the many myths of Jesus's life that have been propagated through the centuries. A seminal work, Schweitzer's book brings into focus the social and political currents of Jesus's time to rebut previous authors' hypotheses and form an entirely new one of his own. A milestone text in its time, Schweitzer's book was so dominant that virtually no new scholarly investigations of the historical Jesus were published for decades after its initial release. Now more than a century later, *The Quest of the Historical Jesus* remains the standard against which religious academic studies are measured. This ebook has been professionally proofread to ensure accuracy and readability on all devices. [The Next Quest for the Historical Jesus](#) James Crossley, Chris Keith, 2024-11-05 A diverse group of scholars charts new paths in the quest for the historical Jesus. After a decade of stagnation in the study of the historical Jesus, James Crossley and Chris Keith have assembled an international team of scholars to envision the quest anew. The contributors offer new perspectives and fresh methods for reengaging the question of the historical Jesus. Important, timely, and fascinating, *The Next Quest for the Historical Jesus* is a must-read for anyone seeking to understand Jesus of Nazareth. Contributors: Michael P. The Quest of the Historical Jesus Albert Schweitzer, 1950 **The Quest of the Historical Jesus (Jovian Press)**

Albert Schweitzer, 2017-06-08 In this groundbreaking work that made his reputation as a theologian Albert Schweitzer traces the search for the historical person of Jesus apart from the Christ of faith and puts forward his own view of Jesus as an apocalyptic figure who preached a radical message of the coming of the Kingdom of God Though Schweitzer's own proposals about Jesus no longer command assent his lasting contribution comprising the bulk of the book is the critique of his predecessors Through examining the works of more than 50 18th and 19th century authors and scholars he shows conclusively that each historical reconstruction of Jesus was largely a fantasy made in their own self image Schweitzer's work has proved the touchstone for all subsequent quests for the Jesus of history It also contributed in no small measure to the remarkable resurgence in Jesus studies in the latter part of the 20th century which culminated in the much publicized and highly controversial findings of the Jesus Seminar

THE QUEST FOR THE HISTORICAL JESUS Edward D. Andrews, 2022-09-04 The Quest for the Historical Jesus is not another cautious survey of scholarly opinions It is a relentless evidence driven case that the Jesus of the Gospels is the Jesus of history truly God truly man crucified under Pontius Pilate in 33 C E and bodily risen on the third day Rejecting the fashionable evasions of modern criticism this book dismantles the myths of anonymous community invention hypothetical lost sources and anti supernatural bias It applies the same historical standards used for other ancient figures and finds the Gospels overflowing with eyewitness detail cultural accuracy and verifiable fact From the earliest creedal proclamations to archaeological confirmations from refuting the most influential skeptics to exposing the bankruptcy of alternative explanations The Quest for the Historical Jesus builds a case that will not yield to ambiguity For believers it is an arsenal of reasons For skeptics it is a direct challenge For all it is a demand for a verdict History is not silent The record stands

The Quest for the Plausible Jesus Gerd Theissen, Dagmar Winter, 2002-01-01 Should the dissimilarity between Jesus and early Christianity or between Jesus and Judaism be the central criteria for the historical Jesus Gerd Theissen and Dagmar Winter argue that the criterion of dissimilarity does not do justice to the single most important result of more than two hundred years of Jesus research that the historical Jesus belongs to both Judaism and Christianity The two authors propose a criterion of historical plausibility so that historical phenomenon under question can be considered authentic so long as it can be plausibly understood in its Jewish context and also facilitates a plausible explanation for its later effects in Christian history This book is a cooperative project between Dagmar Winter and Gerd Theissen and represents the fruit of many years of their research on the historical Jesus
