In this infographic, we'll break down the different meanings of "realest" and give you examples of how to use it in everyday conversation. So buckle up and get ready to keep it 100!

THE BASICS

"Realest" is a superlative form of "real," meaning the most authentic or genuine. It can be used to describe a person, situation, or thing that is true to itself. For example, "She's the realest person I know. She always tells it like it is."

KEEPING IT HONEST

"Realest" can also mean being honest and truthful, even if it's not what someone wants to hear. For example, "I appreciate you being the realest with me and telling me the truth about my performance."

STAYING TRUE TO YOURSELF

Another meaning of "realest" is staying true to yourself and not pretending to be someone you're not. For example, "I respect him for being the realest and not trying to fit in with the crowd."
