The Rest Of The Story Vol 1 The Parables Of Jesus:

The Parables of Jesus Brant D. Baker, 2014-12-14 Did the older son ever join the party That was the simple question that led me to write these stories Not that what Jesus said and taught wasn't enough or was insufficient in any way God's word is full and complete and sufficient for us in every way Rather the premise of this collection is meant to build on the imaginative and creative work of our Lord and to further harness the wonderful love of story that God has built into the human heart It is this human capacity for story that has led to the present collection The stories that follow are a playful reflection on what might have happened had the stories in the parables continued It is hoped that God's love of stories and their capacity to communicate truth to us such that it bypasses our usual defenses will be woven together by the reader's imagination and used to bring deeper insight into God's Word These stories can be used in either personal or group settings If used with a group it might be beneficial for everyone to have their own copy both to help with following the narrative and for notes and insights

The Branch Exposition of the Bible, Volume 1 Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

Wilson, 2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980 2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom Loving

Jewish People Paul O. Bischoff, 2025-08-21 Jewish people are experiencing another Holocaust The only difference between today's catastrophic extermination of Jews and that of Nazi Germany's is technology German efficiency murdered Jewish people and disposed of their bodies in short order Iranian murderous terror toward Jewish people is taking longer Missiles are hit and miss Why does the world hate the Jews It all starts with God An anti God spirit prevails in cultures around the world The Jews are God's first people on earth They are God's method of blessing all families and nations Maybe it's jealousy No matter what you can't love God and hate the Jews Ironically the very religion which owes its existence to Judaism Christianity has historically been the perpetrator of Jewish hatred The church was a bystander while others executed their mission of annihilation The opposite of hate is love To reverse current global anti Jewish feeling requires loving Jewish people as human beings It must start with a repentant church willing to admit confess and plead forgiveness from any Jewish person The church needs to practice what it believes to love God with all its heart body soul and spirit by demonstrating concrete ways to love its neighbor the Jewish people

Funny Things Can Happen on Your Way through the Bible, Volume 1 Charles D. Barrett, 2010-04-01 Proceeding from Voltaire's conclusion that God is a comedian playing to an audience that's afraid to laugh this book seeks to uncover some of the many instances in which biblical texts offer readers grace and insight through the divine gifts of humor wit and laughter Readers are invited to take a strikingly unusual if not unique approach to the texts imagining not only the voice inflections but also the body language of their narrators to capture the humorous nuances and ripples of laughter that likely attended the first telling of many biblical stories

Parables in Midrash David Stern, 1994 David Stern shows how the parable or mashal the most distinctive type of narrative in midrash was composed how its symbolism works and how it serves to convey the ideological convictions of the rabbis He describes its relation to similar tales in other literatures including the parables of Jesus in the New Testament and kabbalistic parables Through its innovative approach to midrash this study reaches beyond its particular subject and will appeal to all readers interested in narrative and religion
