research Far Out blends ethnographic analysis a lifelong passion for Nepal and a touch of humor to produce the first comprehensive history of what tourists looked for and found on the road to Kathmandu Documents Relating to the Foreign Relations of the United States with Other Countries During the Years from 1809 to 1898 ,1825 A collected set of congressional documents of the 11th to the 55th Congress messages of the Presidents of the United States and correspondence of the State Dept Many of these pamphlets have been catalogued separately under their respective headings
